

Ram Lalla’s Statements (Allah Ho Akbar) In Supreme Court In Person As Idol Of Lord Natraz The Creator B.B.B Or Tachyon Particle Who is Also Worshiped In Namaz As Nar Narayan Avatar In Kalyug Is Must Via Quantum Entanglement Called Fundamental interaction among Fundamental Particles Or Smallest Idol Of Universe .

Dr V M Das

Das Nursing Home , Fatehgarh , India University Of God

Abstract: It is being believed that Muslims do not do idol worship . It is myth . Before origin of the universe all things were in form of tachyons particles which are made up of two basic building blocks – Yang and Yin or mind and mass part of reality (Not set of informations Code PcPs – Originator of all sets of informatins Code PcPs) . To understand concept of idol worship we have to understand Basic Building Blocks (B.B.B – Mind – CCP , Code PcPs or set of informations and CP and Mass -- Fig 1) . The Creator B.B.B or Almighty B.B.B has considered them as smallest idols. Hence He has made idol picture of male and female parallel to these B.B.Bs Fig 1 . The fundamental belief of all religions on which the base (Main Pillars) of all religions is stood are these two God particles and the fundamental worship is Idol worship of these two God particles . At the end of universe all sciences fundamentals (shapes , laws, and properties) would be no more but religious fundamental about God particles and their Idol worship would persist in form of “I” or “Satyam Shivum Sunderum ” Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [2] , we found that the word Allaha means – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . His portrait Fig 20 represents Tachyon particle (One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B . The admiring of this Almighty B.B.B is Allaha ho Akbar . Worship of Tertiary God is also Idol worship as these are made up of smallest idol of the universe Fig 21. Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of “I”

I. Introduction

1.1 Mind and Mass Realities [1]

Fig. 1 Divine Mechanics Unit – CCP, CP and information s – Code PcPs with B-Bit – Mass

Atomic genetics is the branch of science where we investigate about fundamental interactions of the universe i.e. atomic transcription and translations . New words have been coined to understand hidden science of mind part of reality. Mind reality has been recognized as different faces by “T” about 5000 years back to Arjuna in Mahabharata.as shown in Fig 1. It is just like to understand any language through Alphabets. These are (different faces) Alphabets of mind reality. One Mind reality has one face identity and the second mind reality has second face identity and so on. The facial expression represents phenomenon of intelligence and different faces represent different types of properties carrying property. The open eyes means property is activated while close eye means property is inactivated. In spite of carrying properties conscious ness they also know how to conduct not only origin of universe but also how to create two different universe i.e. next creation could be different from this creation . In all, it is automatic system of the universe . The mind realities which are of good properties have devtas face identity (first five faces on both side) and those mind realities which are of bad properties have demons face identity (last four faces on both side) . These are named as code PCPs or messenger atomic genes . The central face is CCP or Thought script where all thoughts of the universe are banked . It is bank of data of all information s of the universe It is face identity of Anti mind particles as data of all information's of the universe are stored as anti mind particles . It is the Time mind ness (biological clock) that keeps on expressing different thoughts from this thought script (CCP) . There are four more faces (black bodies) shown on extreme left and right floating in fire are CPs (translating Atomic genes) . That translates the messages and realizes it and reacts accordingly.[1]

Messages From Biological world to understand B.B.B world as shown in Fig 1.2 [1]

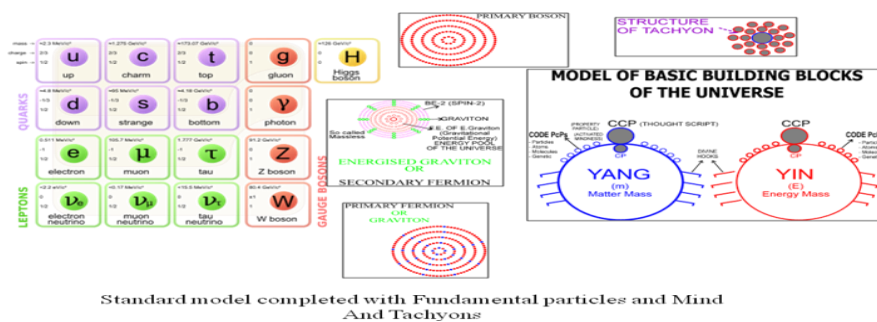

Fig 1.2 Parallel teaching by participatory science [1]

The standard model not only modified rather it has been completed [11] with introduction of energized gravitons , primary fermions, primary bosons , Basic Building Blocks , Mind and Tachyons as shown in Fig1.3

1.2 Lord Ram as Trinity and He is Allah Ho Akbar [2]

Know allah (tawhid and trinity) in the light of science *Dr. Das, V. M.Das Nursing Home, University Of God, Fatehgarh, India *Corresponding Author Received 10th April 2015; Published 31th May 2015

Abstract

It is the matter of great concern that All persons should be acquainted with First God Concept. And the concept is Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah's Worship. Conditioned spirituality starts with Allah and ends with Allah of this creation

Q. What is Avatar (Trinity) Phenomenon?

A. In avatar phenomenon, message of Almighty B.B.B. Yang B.B.B working as highest center of universe – First God of symmetry breaking phase used to come to earth to either Yang B.B.B. or Yin B.B.B. via first transcription message system to exhibit. His few properties by unconditioned way of working and that B.B.B stars working by expressing that thought as wished by Almighty B.B.B. Yang B.B.B working as highest center of universe – First God of symmetry breaking phase
Can Kill Demons of infinite powers as Did Lord Ram (Allah) to kill Ravan etc.

1.3 Who is Lord Ram ? [3]

Who is Lord Ram? Whether King, Trinity or Hypothetical Legend of Some Story.

V M Das Advanced Sciences, University Of God Das nursing Home , Fatehgarh, Farrukhabad , U.P. , India
Corresponding Author: V M Das

Abstract: It is the Quran that will tell who is Lord Ram . Because **Only Allaha is worthy for worship** . If Dr Swami [6] proves that Lord Ram is Creator , then only his claim to do worship at that site is true . If he says Allah ho Akbar By knowledge not by force or ignorance to Idol of Lord Ram , then only his claim to worship would be true .

Fig 1 Mayavi Ravan (He has oscillation property – increase and decrease in size) being killed by Trinity Ram or “Allah Ho Akbar ”

1.4 How Trinity appears on Earth [3]

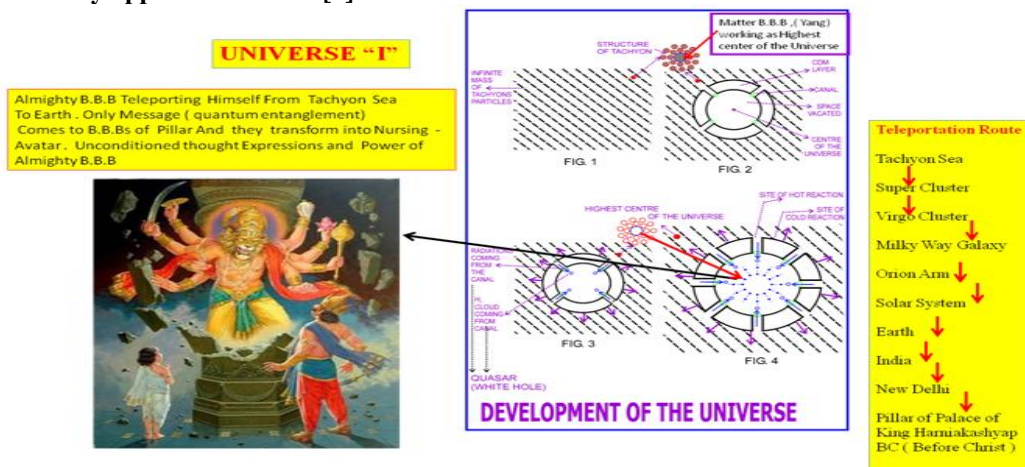

Fig 2 Phenomenon of Teleportation and UPS in the mind of Almighty B.B.B (Allahtala) in Universe “I”

Dirac equation is illusion as mathematics does not have thought of mind and thought of Creator . Self positioning system (SPS) in brain triggers to know our surrounding and our location . It is being used by animals and birds during migration or navigation on earth . Global positioning system (GPS - computer) helps

us to know our location and different place and their route on Earth . GPS does not make us to be lost in big cities if we have loaded origin and destination in our computer . There is one more system called universe positioning system (UPS). Our journey did not start with fertilization of ova with sperm rather it had started since origin of the universe(Tachyon sea) and our brain could predict our past and future transformations before we transformed into human beings . UPS helps to locate home of Almighty B.B.B (Tachyons Sea) as prayer reaches to Almighty B.B.B . All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship (Fig 11) or during namaz devotee sees home of Almighty B.B.B (Allahatala or Tachyon sea) and structure of Tachyons (One Yang and many Yins) (Fig 2) by brain , worship is incomplete Teleportation is the phenomenon made by Almighty B.B.B (Creator of universe and Aliens) . As He descends from invisible universe (Tachyon sea) to Earth . First , message comes (first order of universe) to Earth B.B.Bs via first transcription (quantum entanglement) and B.B.Bs of Earth transform in to any shape (Trinity – Human beings or Almighty B.B.B in flesh form) and Trinity does such deeds that they occupy place in church and temple as idol worship . For example Lord Jesus , Lord Krishna or Lord Ram etc **The theory predicts that when Almighty B.B.B teleports Himself , He (Creator of universe and Aliens) could tell exactly where Aliens reside in universe “I” .**

1.5 Idol of Lord Ram is Alive [4]

Life In Idol (In Statue) Is True (Pran Pratishtha) And It Is By Virtue of Sleeping And Arousal Property of Basic Building Blocks Which Is Property of Life (New Definition) . Death Is Illusion . Concept of Soul Is Myth. “ Religion Is Lame Without Science And Science Is Blind Without Religion ” Einstein

Dr. V M Das Das Nursing Home , Fatehgarh , India University Of God Corresponding Author: Dr. V M Das

Abstract: Universe is made up of God Particles or Basic Building Blocks (Fig -1) or mind and mass . To Understand life (new definition) we have to understand sleeping and arousal phenomenon in living animals , plants and seed , molecules , atoms , particles and in Tachyons which are made up off two God particles . We are set of informations (Code PcPs) and that too changing (fetus , infant , adolescence , adult , old age and finally death) . Death set of informations (code PcPs) are different than life set of informations (CodePcPs) . Life set of Informations could be recreated only by Almighty B.B.B . Hence death is illusion. In all stages of set of informations of particles , atoms, molecules have arousal state of mind (Eyes open) . Hence Idols are alive by virtue of arousal - sleep phenomenon property (property of life) of God particles (Mind and Mass) . Life effects are higher thought expressions of B.B.Bs . When these thought expressions are inhibited death thoughts are triggered , we observe death effects . (autolysis of cells and rigor mortis etc) . Hence concept of soul is myth. Hence Life means sleep and arousal phenomenon (new definition) . Hence statues are alive because they are in arousal state of mind . (Open eyes) till creation exists . After the creation is over, all stages of God particles would come in sleeping state in symmetry phase (close eyes –mind) but alive (new definition) . Universe “I” is always Alive (new definition) whether it is in sleeping state of mind or arousal state of mind. **Keywords:** Basic Building Blocks , Mind and Mass , Atomic genetics , Atomic transcription and Translation , Tachyons , Religion “I”

Sleep and arousal phenomenon in Universe “I” .

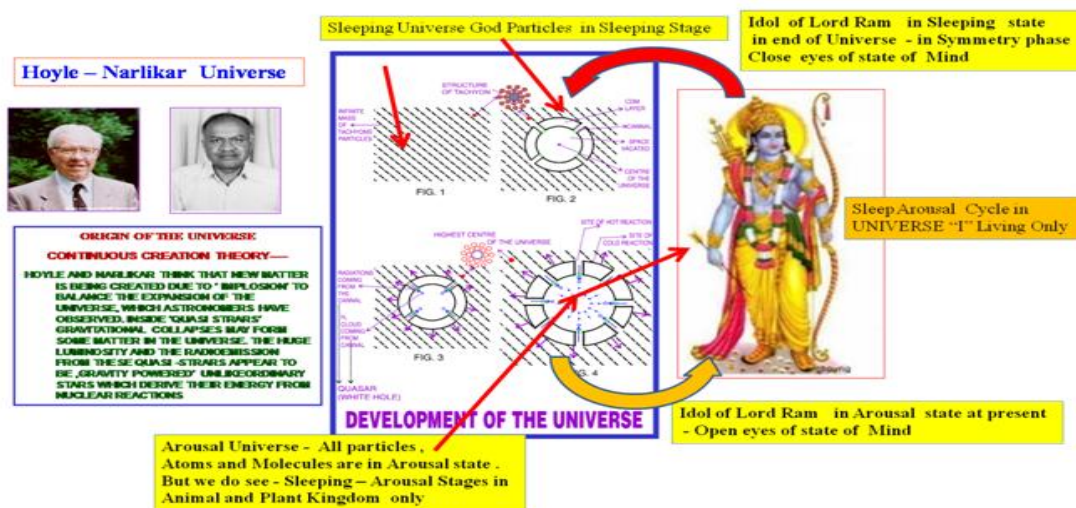

Fig 3 Sleep and arousal phenomenon in Universe. State of God particles (Sleep – Arousal Cycle in one creation in different stages . Tachyons particles and particles , atoms and molecules) of universe “I”

Hence Idols never sleep as they are made up of particles, Atoms and molecules . Idols are set of informations (Code PcPs) and that too not changing or fixed . In us, death set of informations are different than life set of informations and our set of informations could be recreated only by Almighty B.B.B . Hence death is illusion in us . In Idols , single stage of set of information is there and particles , atoms, molecules have arousal state of mind (Eye open) . Hence Idols are alive even in statue stage by virtue of arousal - sleep property (property of life) of God particles (Mind and Mass) . (Fig 3)

1.6 Adam's Bridge mystery solved [5]

Adam's Bridge Formation (Floating of Stones) By Virtue of Prayer Done By Lord Ram Rather than Any Miracle Claimed By Hindu Believers . it Was Lawlessness That Triggered By Unconditioned Thought Expression By First order Of Universe (AGE By Quantum Entanglement)

Dr. V M Das Das Nursing Home , Fatehgarh , India University Of God Corresponding Author: Dr. V M Das

Abstract: It is being believed that by writing word Ram on stones could make stones floating , it is Myth . Floating of stones while making Adam's Bridge was a lawlessness triggered by unconditioned thought expressions by first order of universe leading to change in programming (Code PcPs floating) of gravity interactions which was previously programmed for sinking (Code PcPs sinking) **by M2** . It is the mind of M2 that orders sinking effect when energized gravitons from M1 come and interacts with interacting surfaces of atoms of stones of M2 . It is science of prayer (Atomic genetics engineering) that underpins floating of stones done by Lord Ram . The phenomenon ended with end of the period of stay of Lord Ram in Shri lanka i.e. the reversal of programming . With the result floating stones got sunk . There are many thoughts that design the sinking or floating effects . There is feedback to higher centers before next thought is triggered . During transmutation of phenomenon of sinking to floating or vice versa , sinking thoughts get suppressed , and floating thoughts get triggered and vice versa . It is Almighty B.B.B , The Creator B.B.B Who was designing the phenomenon by request of Lord Ram by quantum entanglement .

Strange floating stones of Rameshwaram computation

Some floating stones are found on the coastal regions of Rameshwaram. These stones are similar to any other stone and possess the same features, physical and chemical composition like the stone you may find in your locality. Seeing these stones from a far distance, you may feel that this stone is made of corals but on physical examination, it is found that this is not a coral stone...and neither is it a pumice stone! (Fig 4)

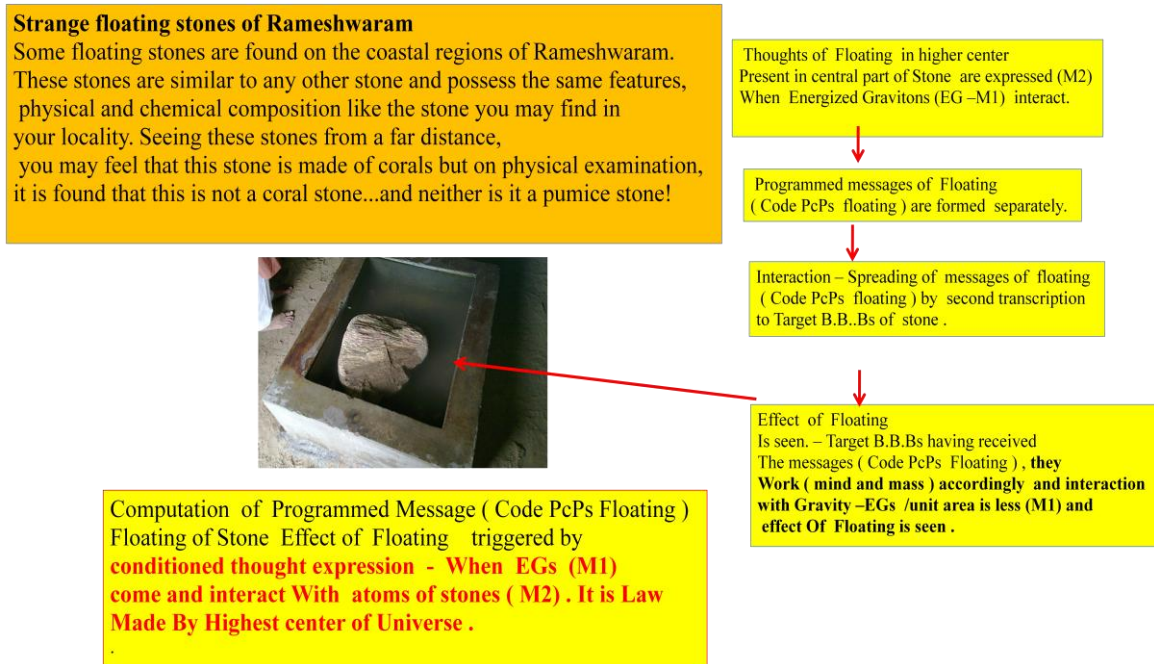

Fig 4 Strange floating stones of Rameshwaram

Normal sinking stone computation .

Why now Ram Setu is under water because Lawlessness and unconditioned thought expressions that led to floating on water worked only for few days and when work was over , the unconditioned triggering ended and normal triggering of programmed thought expressions (Code PcPs sink) of sinking get triggered .

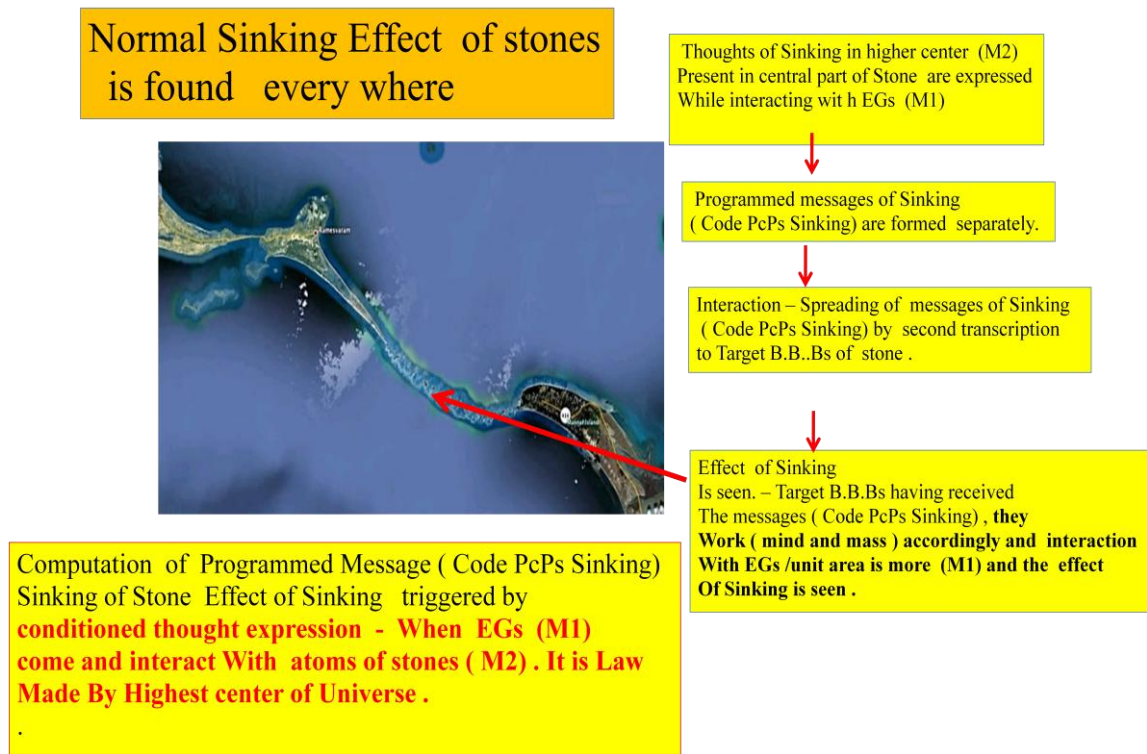

Fig 5- Normal sinking effect of normal stones found every were

How normal sinking programming transformed into floating programming and further it reversed into normal sinking programming .

Lord Ram did Prayer (Quantum entanglement) . The Prayer was accepted by Almighty B.B.B . At first sinking programming (Code PcPs Sink) was changed to floating programming (Code PcPs Floating) and later it was again shifted to sinking programming (Code PcPs sink) after few days . It is lawlessness and it is unconditioned Working of nature and it is done by First order of universe (Quantum Entanglement) It is called Atomic genetic Engineering) . (Fig 6)

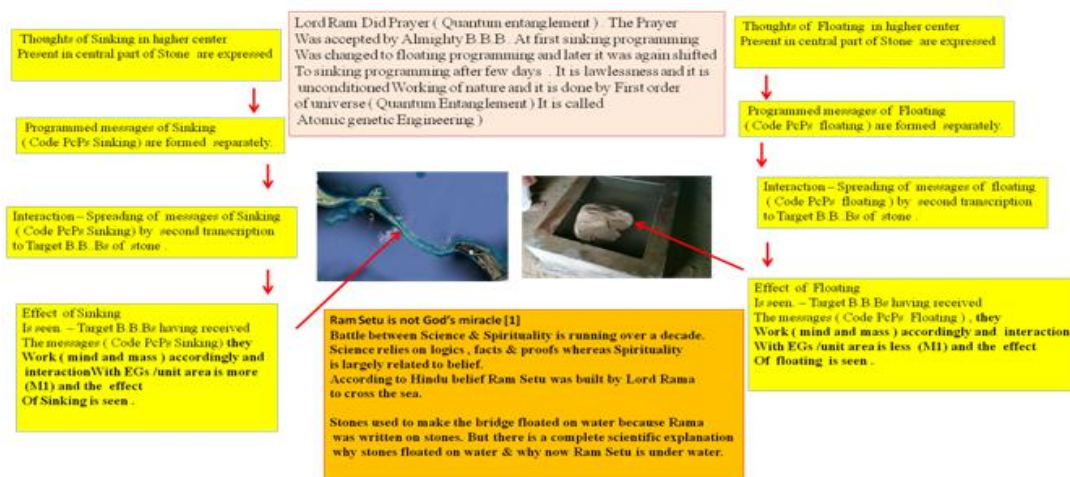

Fig 6 Ram Setu is not God's miracle . It is by virtue of Prayer Done by Lord Ram .

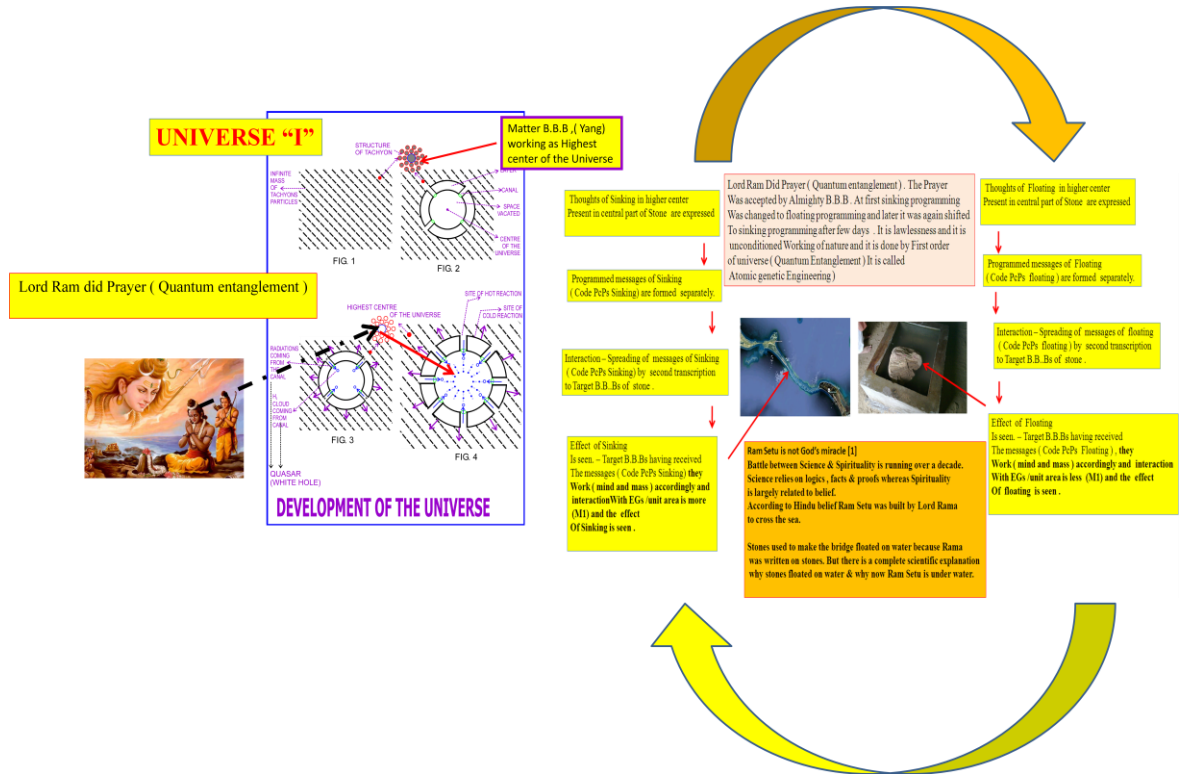

Fig 7 Lord Rama worshipping Almighty B.B.B before making Adam's bridge . There is shifting of Programming of Sinking to Floating and vice versa . It is lawlessness and unconditioned thought expression by order of Almighty B.B.B . (Quantum Entanglement)

1.7 Quran is Shiv Puran and vice versa (Fig 8) [3]

Shiv Puran means Ardhnareshwar or two god particles or Mass . Geta means Mind . Quran means both Mind and Mass or Allah .

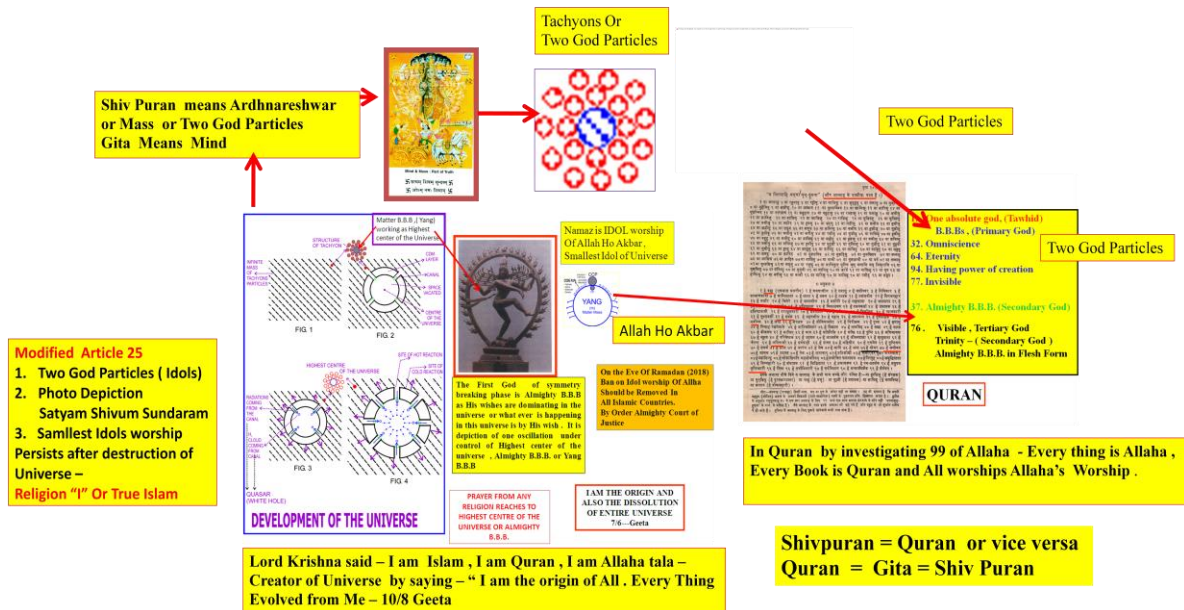

Fig 8 Quran is Shiv Puran and vice versa

1.8 Namaz is worship of Tachyon which are made up of Two God particles . Its reconstruction is Lord Natraz . Thus uplift on ban on idol worship in all Islamic countries is ordered by ACJ (Fig 9) [3]

Photo Depiction of Creator as Natraz – Allahata – Secondary God - Almighty B.B.B – Smallest Idols of the Universe – Tachyon - One Yang B.B.B (Blue) and many Yins B.B.B (red or Flames or Photons) Prayer reaches to Almighty B.B.B . Namaz is Idol worship Tachyon particle OR Allah Ho Akbar . Reconstruction of Tachyon is Lord Natraz on Earth . Amicable solution starts with research that Namaz is Idol worship of

Tachyon particle whose reconstruction and photo depiction is Lord Natraj who is Allah Ho Akbar. If Indian Muslims respects Namaz as Idol worship then they have to put reconstruction in their Mosque and offer Namaz. Failing which would be considered insult and abuse to Almighty God or Allaha Ho Akbar. By order ACJ.

Fig 9 Namaz is worship of Tachyon particle made or smallest idol or Two god particles . Thus uplift on ban on idol worship in all Islamic countries is ordered by ACJ

SC does not know that Mosque is now essential part of Namaz as Lord Natraj is Allah Ho Akbar and His Idol would be put in All Mosques of world and Namaz would be offered before Lord Natraj as it is reconstruction of tachyon particle being worshipped by all Muslims. Hence 1994 case of Ismail Farrukhi where Mosque is not considered an essential part is to be modified now . By order ACJ

1. 9 Lord Ram is Avatar of Lord Natraz or Allaha ho Akbar at present He is in Tachyon Form [1]

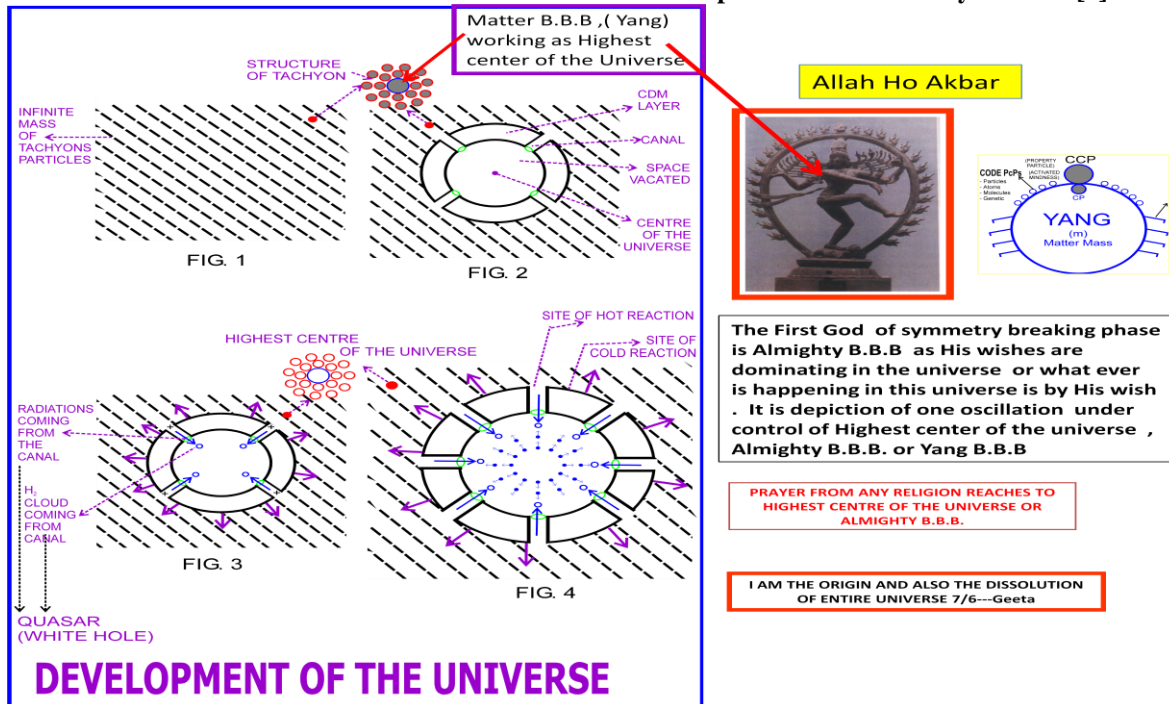

Fig 10 Lord Ram is Avatar of Lord Natraz or Allaha ho Akbar at present He is in Tachyon Form

1.10 What is Quantum Entanglement ? [1]

Message system of the Universe

Before the origin of the universe [1] nature had only one type of message systems which is called **FIRST TRANSCRIPTION**. Messages (Code PcPs) used to go from one B.B.B. to another B.B.B. by atomic transcription. Messages were carried by atomic genes (Code PcPs) with very very high velocity. It is the fundamental message system. Called Quantum Entanglement .

After the origin of the universe, nature created atoms. It also created one more message system called **SECOND TRANSCRIPTION**. Here the message (code PcPs) are carried by photons from one atom to another atom with velocity of light. Thus atoms ,molecules, cells, and even individuals talk with one another

After the formation of the cell , nature created one more system called **THIRD TRANSCRIPTION** .Here there is a message storage system formed by DNA. There are messenger molecules called mRNA that carry message from DNA script to cytoplasm where the message (code PCPs) is read or translated by ribosome and they work accordingly. Thus the messages reach to enzymes and hormones and finally messages reach to target units. Having received the messages, target units work accordingly. Finally life effects (metabolic) are observed.

These three types of message systems are working in the nature. These message system are being used by the nature according to nature's need. as shown in Fig 11

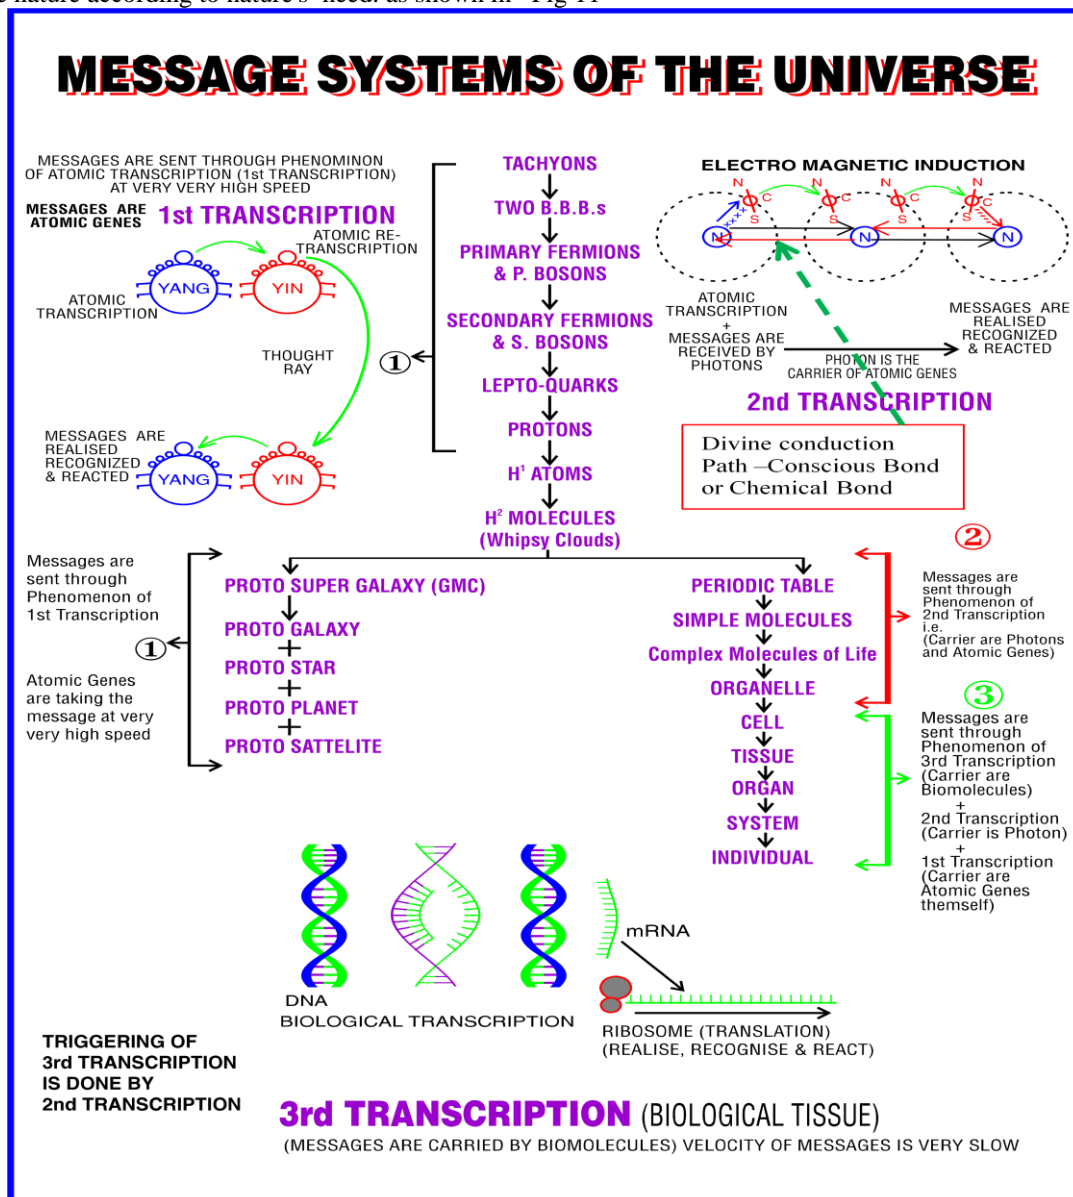

Fig. 11 Messages system of the universe

1.11 How does nature work & triggering of normal & abnormal effects [1]

To understand creation physics as shown in Fig 12 and Fig 13. . There are two types of thought stimulation [2] . One is **CONDITIONED THOUGHT STIMULATION** and other one is **UNCONDITIONED THOUGHT STIMULATION**.

STIMULATION OF THOUGHT EXPRESSION --- There are two types of thought expressions one is **CONDITIONED STIMULATION** of thought expression, and other one is self stimulation of thoughts i.e. **UNCONDITIONED STIMULATION** of thought expression .

At the time of the origin of the universe, all effects got created. The cause of all effects of the universe is **THOUGHT** expression. These thought expressions were triggered by **UNCONDITIONED OR SELF STIMULATED WAY** . It is the first step and it is followed by **PROGRAMMING** or formation of programmed messages by code **PCPs**. This programmed message moves from higher centers to target **B.B.Bs**. it is called **INTERACTION**. Having received the messages, the mind and mass of the target **B.B.Bs**. work in a synchronized way so as to produced the effects as thought by a the higher center. If the thought expression by higher center is normal, the shapes, properties and laws produced by target **B.B.Bs**. would be normal and if the thought expressions are abnormal, the shapes, properties and laws would be abnormal. This is the basic concept of **transmutation** phenomenon. Finally what we observe is called **EFFECT**. Appearance of new shapes. properties and laws is called **TRANSMUTATION**. The first three steps are collectively called **CCP**. During transmutation process if **CCP** is written, it does mean that unless the thought, programming and interaction take place, nature cannot transmutate. Transmutation phenomenon is seen in particles, atoms, molecules and even in cells. The basic steps of any transmutation remain the same except that the thought expressions differ.

The subatomic particle are made up of more fundamental particles called **Basic Building Blocks (B.B.Bs)** which are made up of mind and mass. These **B.B.Bs** are divine in nature with the result they talk with each other by phenomenon called **atomic transcription and translation (thought expressions)**. The triggering of broken symmetry is caused by **atomic transcriptions**. Unless the **atomic transcriptions** occur, subatomic particles could never exhibit phenomenon of broken symmetry . So the broken symmetry is never spontaneous. It is being mis understood that sub atomic particles do have spontaneous activities as far as broken symmetry is concerned. Hence the Nobel prize physics 2008 awarded to this work is too early to give prize.

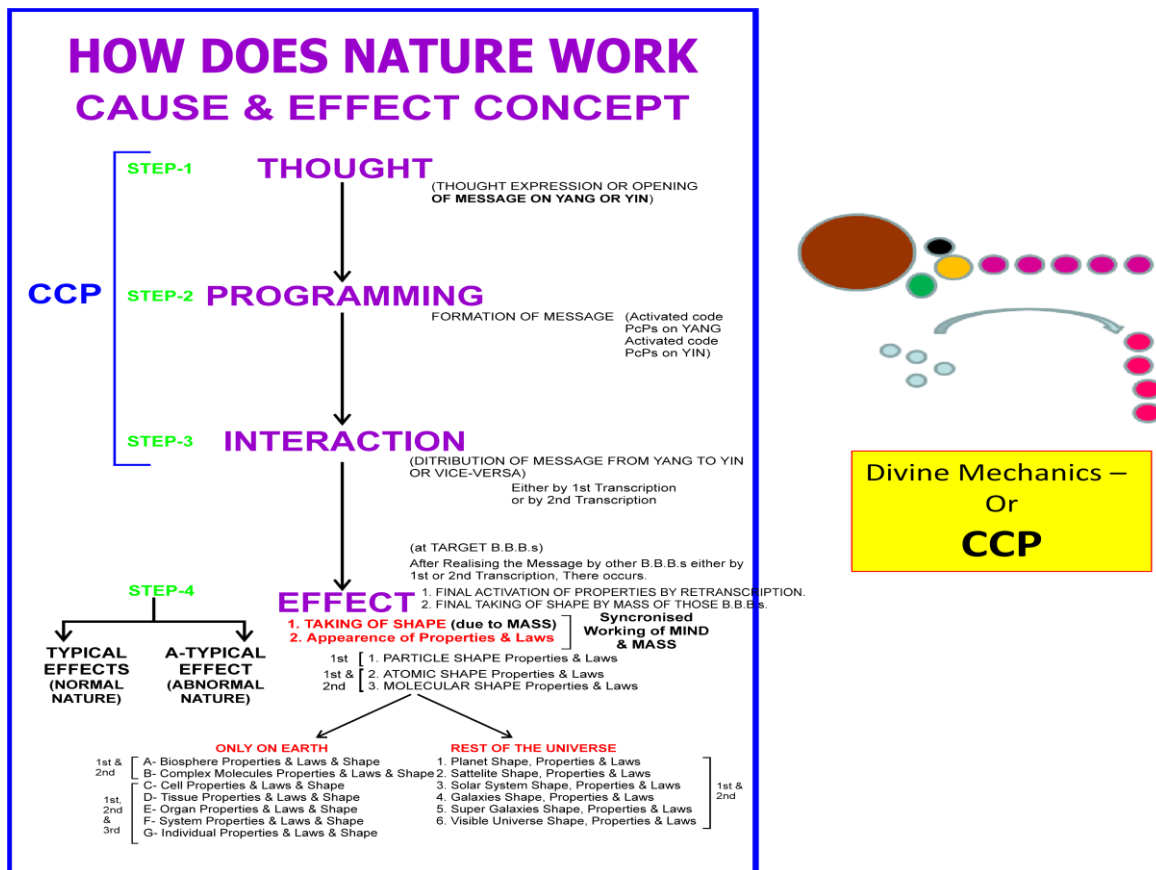

Fig. 12 Divine Mechanics – How Does Nature work ?

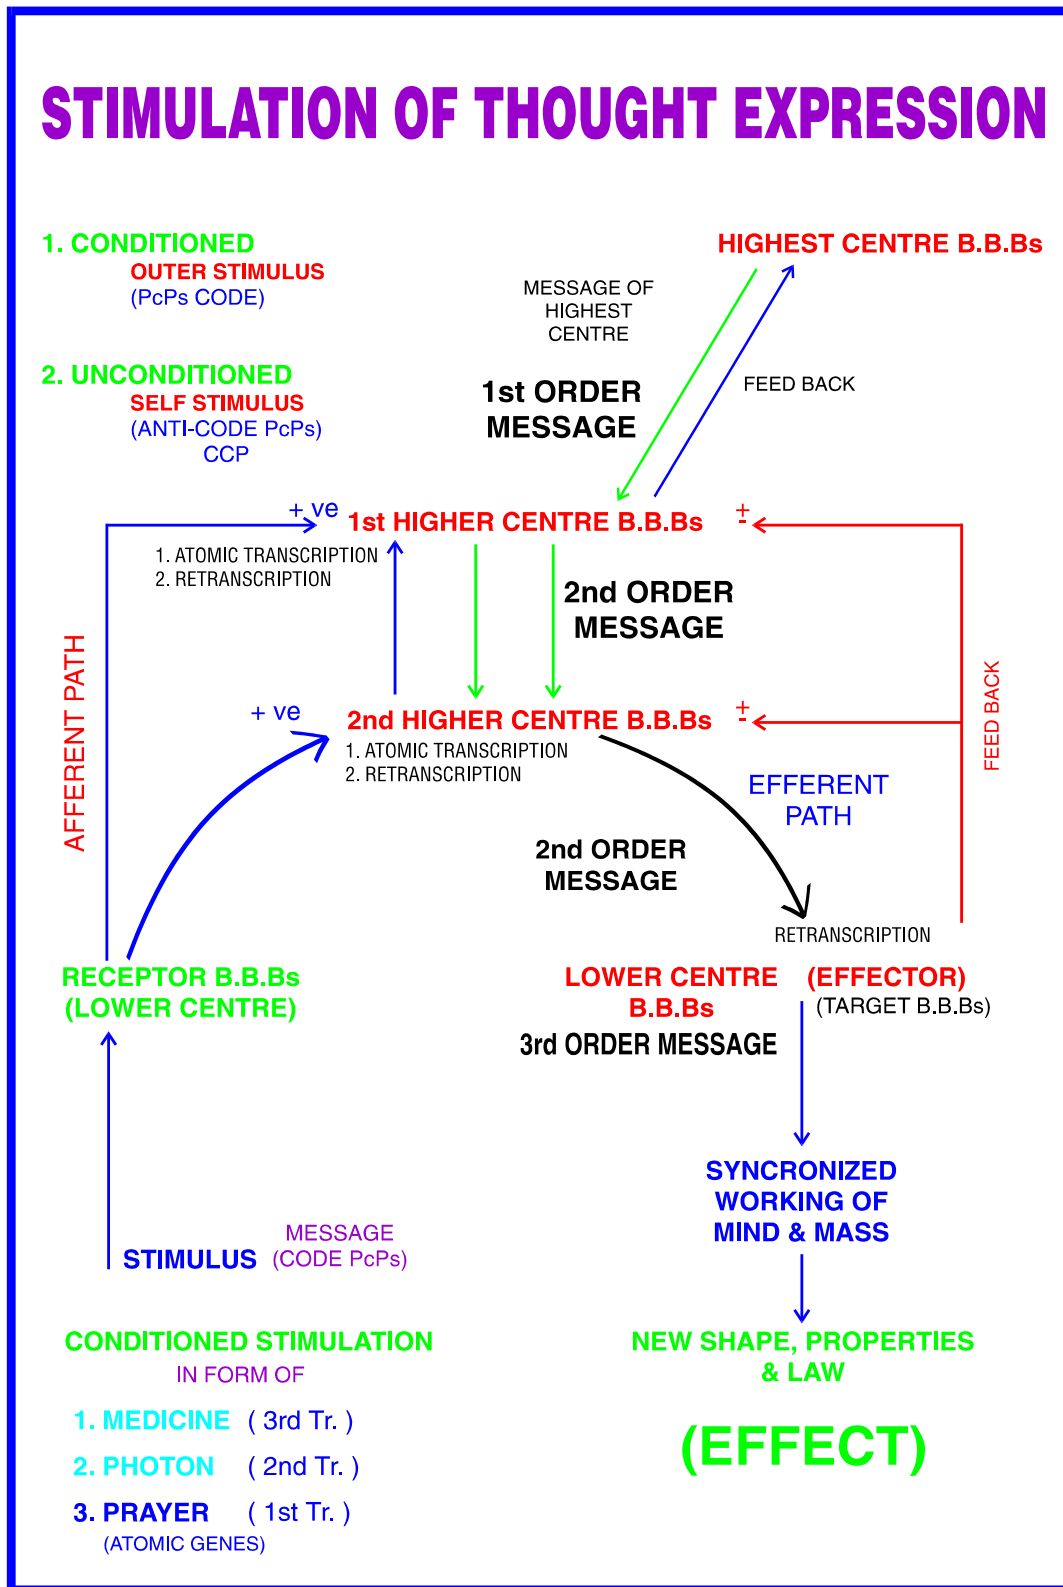

Fig. 13 Conditioned and Unconditioned thought expressions

1.12 Message network of the Universe (Feed Back Mechanism and different centers of the Universe)

With the origin of universe, nature first created primary units i.e. primary fermions (gravitation) and primary boson, these primary units are equipped with one higher center (one B.B.B.) and rest of the B.B.Bs. are working as lower centers or target B.B.Bs.[1] After primary units ,nature created secondary units i.e. secondary

fermions and secondary bosons. similarly nature created tertiary units (lepto-quarks) and then quaternary units (protons& neutrons).

Each unit is equipped with higher centers, lower centers and target B.B.Bs. After quaternary units nature created atomic units, molecular units, complex molecules of life units, organelle units, cell units, tissue units, organ units, system units and individual units. Each unit is equipped with higher centers, lower centers, and target B.B.Bs. Similarly nature created satellite units, planet units, solar system units, galaxy units, super galaxy units, dark matter layer unit. These units are also equipped with higher centers, lower centers and target B.B.Bs. Thus our universe is divided into different units and each unit is equipped with higher and lower centers.

All higher centers are under control of highest center of the universe by efferent paths. This efferent path is made up of first transcription. Higher centers can send messages to highest center of the universe by afferent path or feed back path. Thus highest center of the universe is well informed about all effects of the universe. Messages can come from lower centers to higher centers and from higher centers to highest center of the universe via afferent path. The highest center of the universe can send messages to higher centers and from higher center to lower centers. There is an inter unit message network also which is made up of first, second and third transcription depending upon the nature's need. Thus the entire universe is under control of highest center of the universe. Highest center can change any programming programmed by it during pre creation era as shown in Fig 14

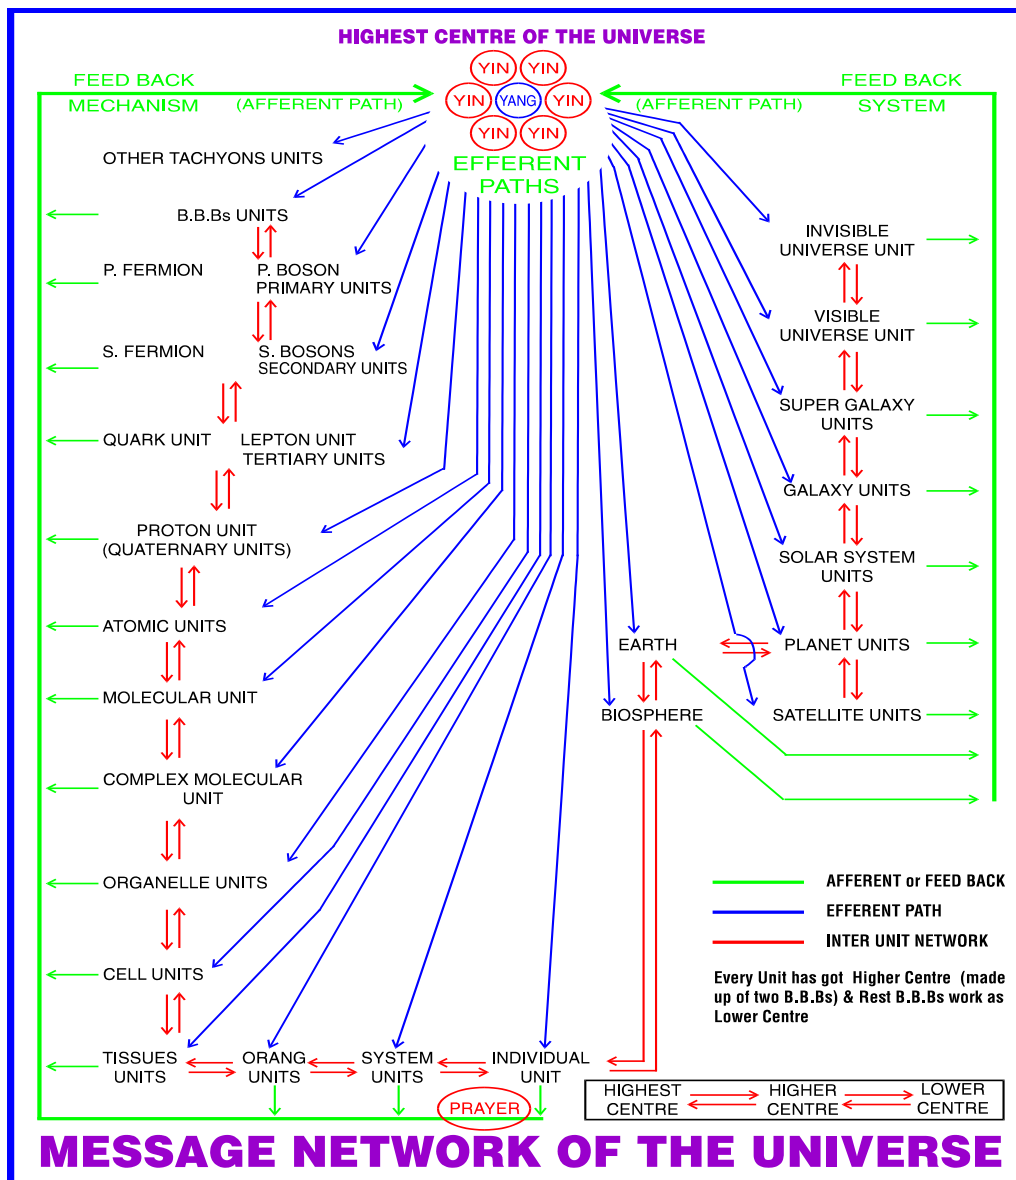

Fig. 14 Messages Net work of the Universe

1.13 Origin of the universe [6]

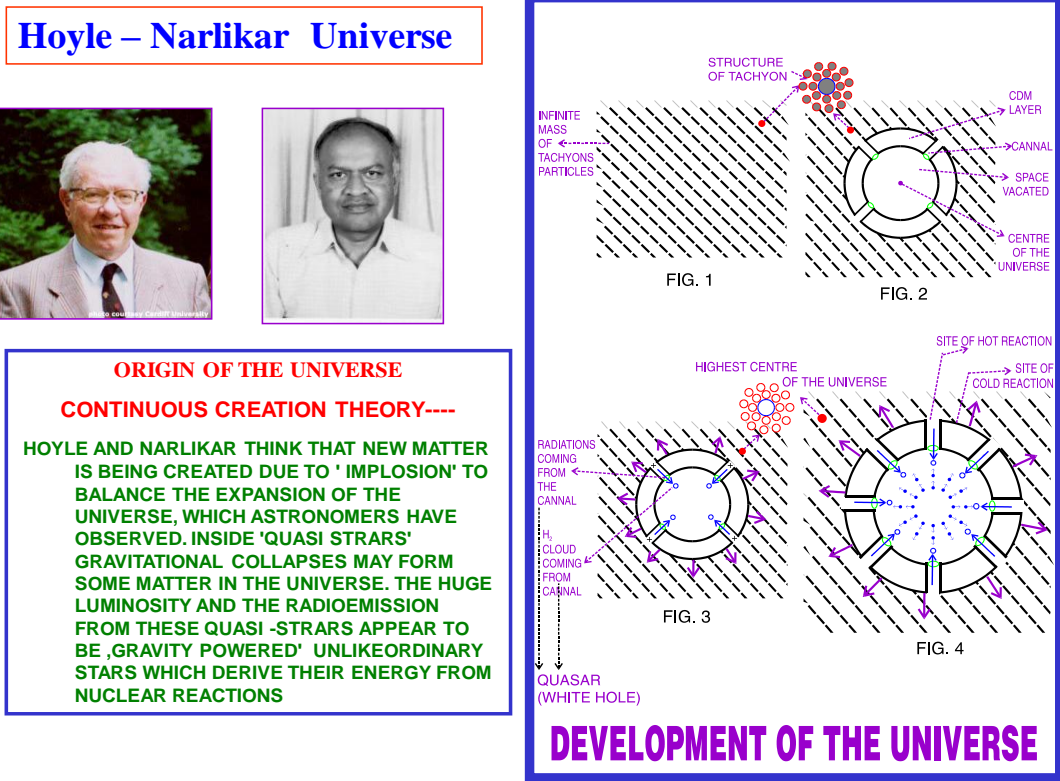

Fig. 15 Development of the Universe

Before the origin of the universe, these Basic Building Blocks (B.B.Bs) as shown in Fig-3 were in the form of tachyons as shown in Fig- 15 [6]. It means that at that time the tachyons were everywhere in the universe. Let us look at the structure of tachyons; it is made up of one matter B.B.B. (YANG) and many energy (YINs) B.B.Bs. Initially out of the infinite tachyons, one became the **highest center** of the universe. Messages used to go from highest center to rest of the universe and messages could come from rest of the universe to highest center of the universe by atomic transcription. Thus highest center had fed its thought to rest of the B.B.Bs. that would take part in creation - that they would express only those thoughts to give desired effect as wished by the highest center of the universe. So all B.B.Bs were informed about their role before creation of the universe. In pre-creation era programming of the future universe was done by highest center of the universe. Our universe is oscillating and it is a divine universe. It means that it has a creation phase and a destruction phase. During creation phase tachyons break into their B.B.Bs. and from these B.B.Bs, formation of fermions and bosons take place as shown in Fig 15.1. After the creation phase, destruction would start and in this phase all created particles would again break into their B.B.Bs and finally tachyons would form. At the time of origin of the universe, all the effects got created. These effects are taking of different shapes and appearance of properties and laws. All these effects are studied in various branches of science.

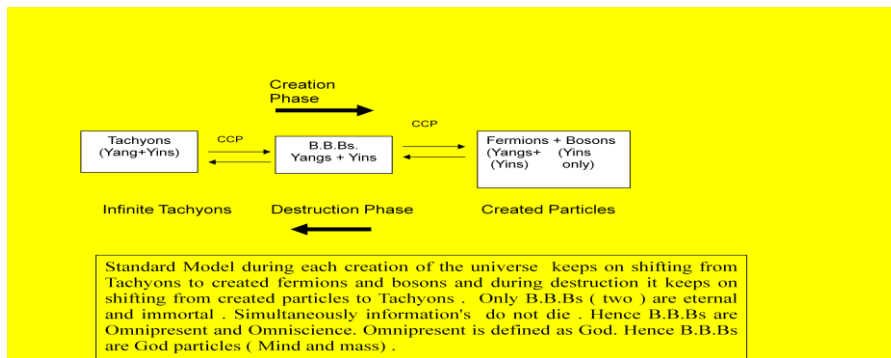

Fig .15.1 one creation and destruction cycle [7]

With the origin of the universe, nature first created a sphere of **COLD DARK MATTER (C.D.M)** and canals in it. With the result space got created. At the other end of the canals, hot reaction started (**the relics are back ground radiations 2.7 degree K of our hydrogen clouds**). As a result hydrogen clouds and lot of radiations were created. The empty canals were filled by these hydrogen clouds and radiations and thus **QUASARS** appeared in the universe. Simultaneously C.D.M. layer started expanding and clouds and radiations kept on coming in this closed universe as shown in **Fig 15** . With the passage of time more and more C.D.M. layer formed, more and more quasars formed. The hydrogen cloud came in this closed universe. They started running towards C.D.M. layer as they were attracted by the gravity of C.D.M. layer. Those clouds, which were nearer, moved faster than those, which were away from CDM Layer. The **HUBBLE LAW**, can thus be explained. With some more passage of time, clouds were joined to form **GMC** (giant molecular clouds). Later by self-gravitation different proto stars, proto planets, proto satellites were formed. Finally stars became bright and thus bright galaxies appeared in this universe. Our universe is still in expansion phase and creation is still going inside quasars. It is to be remembered that highest center of the universe does not come in the visible universe. It keeps on receiving the messages by atomic transcription and it has power to change any programming programmed by it during pre-creation era.

It is the atomic genes which constitutes mind part of reality. Mind incorporation in physics is awaited as theory of every thing is not yet investigated . I have investigated theory of every thing (ToE) and I found that while studying unified theory at the time of origin of the universe by Hoyle Narlikar universe , it was mind reality that triggered symmetry breaking phase . It is mind reality that triggers oscillation phenomenon of the universe. It is the mind reality which is behind perfect cosmological principle . There is nothing like artificial intelligence in the universe . These mind particles constitute intelligence of the universe that controls the deterministic order of the universe. It is the mind reality behind all effects of the universe. But this is not our mind rather it is mind of Almighty B.B.B (Yang B.B.B or matter B.B.B. or Male B.B.B working as Highest center of the universe) . His mind could be manipulated by prayer only . as shown in figure 15.2.

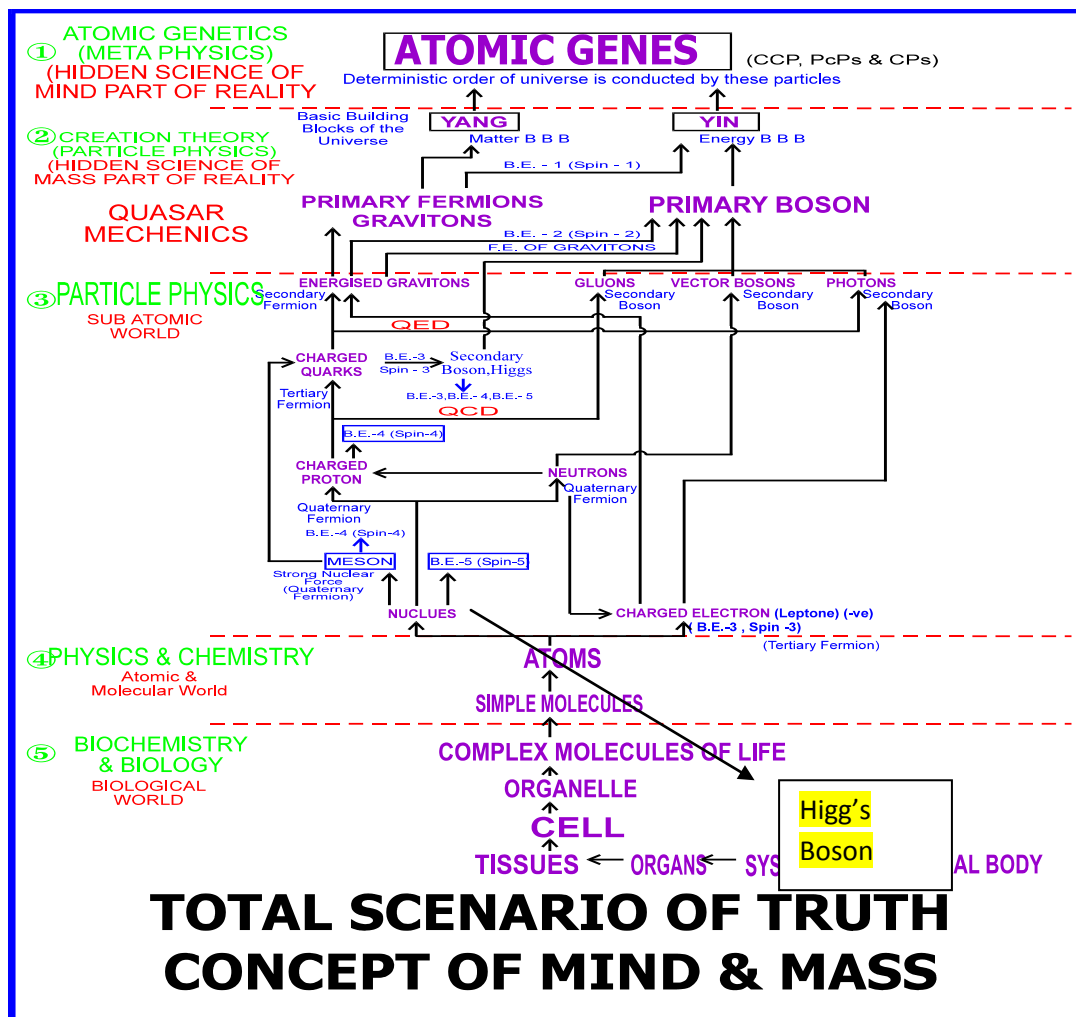

Fig 15.2 Total scenario of Truth Mind and Mass

1.14 Prayer message formation in brain. [1]

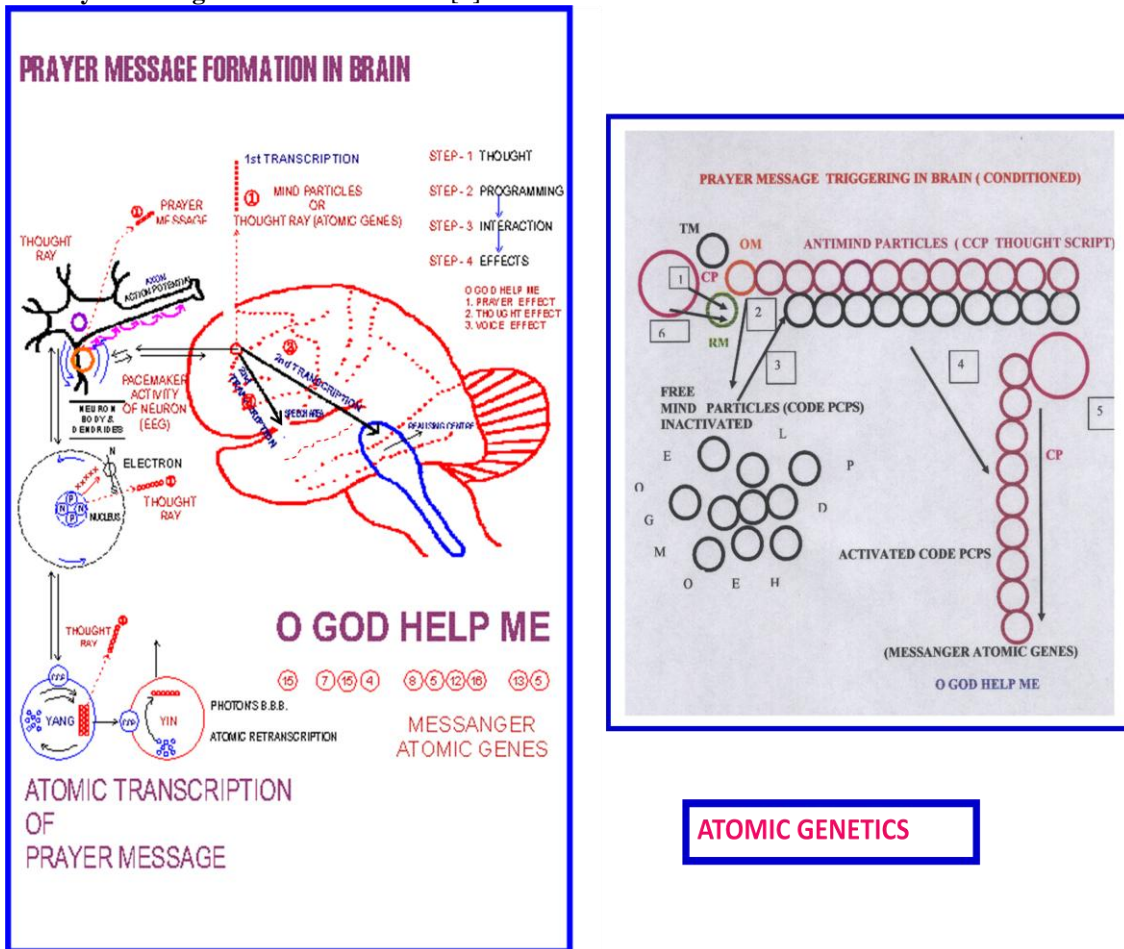

Fig 16 Divine Mechanics - Prayer message formation in brain

In atomic transcription and translation of prayer [8], following steps take place on Yang B.B.B – B-Bit as shown in Figure 16.

1. CP removes RM (repressor mindness-green) from OM (operating mindness -orange) thus induction of atomic transcription triggers.
2. OM triggers activation of free mind particles (black -inactivated code PCPs) of that thought script (magenta) of “o god help me ”.
3. Free mind particles (black -inactivated code PCPs) get attached to anti mind particles script (magenta one) to form messenger thought script of “o god help me ”.
4. Messenger atomic genes (black) get activated by anti mind particles thought script and further they get detached from anti mind particles thought script to form activated messenger atomic genes (activated code PCPs) (magenta) of “ o god help me ”
5. CP carries phenomenon of splicing by translating the messenger activated atomic genes (activated code PcPs) and finally there is activated message of “ o god help me” is formed .
6. CP represses atomic transcription by adding RM (green) to OM (orange) . Thus atomic transcription gets halt.

Having formed the message it comes out in three forms .

In atomic genetic engineering (prayer) we use our basic power i.e. power of B.B.Bs. Our B.B.B. (higher center) talks with highest center of the universe by sending the message by first transcription. Till today nobody knows how does the brain generate thoughts. I am going to tell you that mystery too. In the frontal lobe the neurons are responsible for thought generation. In the neuron there is electrical activity called pacemaker activity which is occurring between dendrites and the body of the neuron. The membrane of the cell is made up of atoms and atom is made up of B.B.Bs. At the level of B.B.B. say thought of 'O GOD HELP ME' is expressed. As a result programmed messages of O GOD HELP ME (code PCPs) are formed. Out of three programmed messages, one is carried by atomic genes to highest center of the universe. It is called **THOUGHT**

RAY (Quantum entanglement) which is made up of pure atomic genes and then the message goes through phenomenon called first transcription. They come out from brain directly. The other two messages are carried by photons from nucleus of atom to electrons. Here they are modulated on electrical activity of the cell called pacemaker activity. Further they are modulated on actions potentials going towards **REALIZING CENTER** situated in brain stem (RAS) and from RAS to speech area situated in the frontal area. Target B.B.Bs. of the realizing center finally realizes thought effect of O GOD HELP ME. While from speech area message goes to motor cortex again via RAS and from there to vocal cords and finally it comes out as a speech effect of O GOD HELP ME. In layman's terminology formation of the thought ray means PRAYER as shown in Fig 16

Where Does Prayer Message go ?

Prayer message goes as shown in Figure 5 to highest center of the universe via first transcription where it is realized and it is accepted, the highest center sends two messages to B.B.Bs working as higher center in cancer cell. These messages are message of inhibition of abnormal thought expression and message of activation of normal thought expression. Having received the messages, higher center stops expressing the abnormal thoughts and it starts expressing the normal thoughts. As a result, there are no more abnormal programmed messages and in place of that normal programmed messages are there. Now the messages have shifted from abnormal (5 and 6) to normal (2 and 3). This shifting of thought expression is called **ATOMIC GENETIC ENGINEERING** as shown in **Figure 16.1**

The changed messages reach to target B.B.Bs. through same route. Having received the changed messages, target B.B.Bs. stop expressing the previous programming and they start expressing the normal programming. As a result the cancer cells transmutate into normal cells. **Or diseased cell gets cured [9]** as shown in **Fig 16.1**

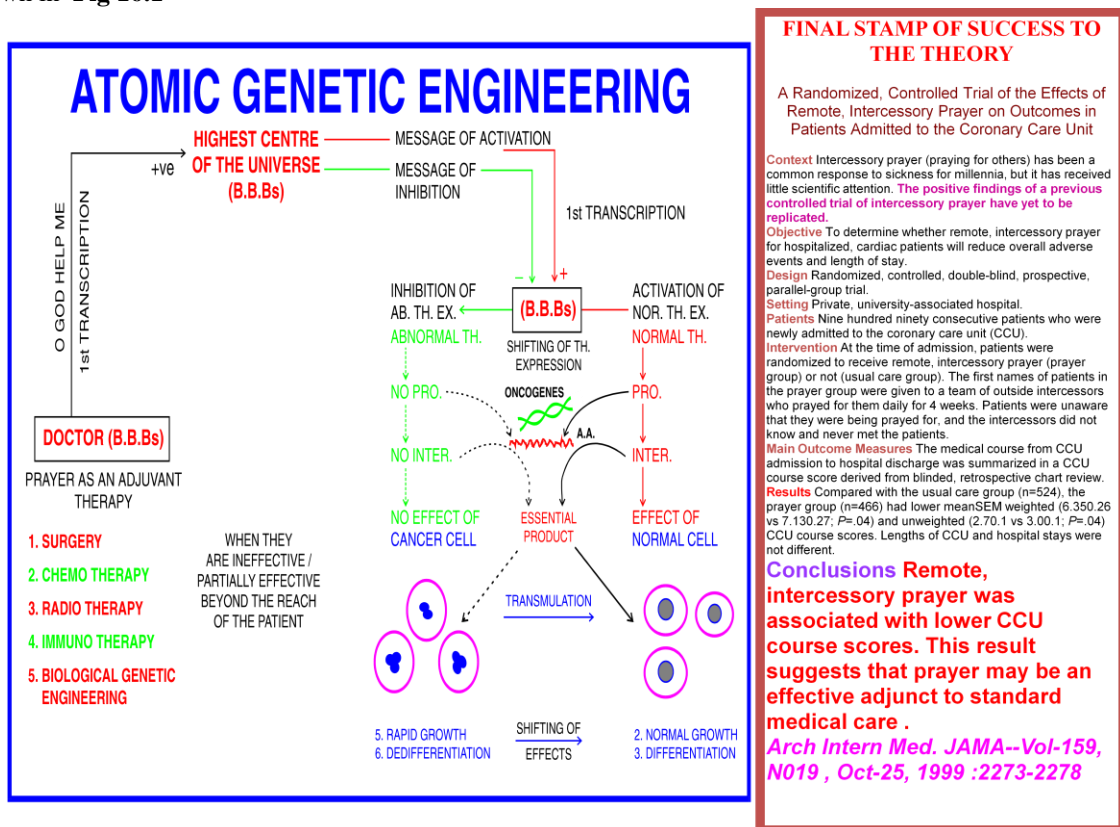

Fig . 16.1 A.G.E and Final stamp of success to New Theory[9]

1.1 5 Order of Almighty B.B.B or Modification in Article 25 of Indian Constitution Fig 15

Freedom of conscience and the right freely is Restricted as No one on this Earth Knows right knowledge as regard God except University of god (UOG). You have to profess, Practice and propagate only those thoughts which are taught by UOG only .

- 1.To profess, (admit) - One cannot admit wrong believes as regard GOD - Wrong believes - 1. God is One
- 2. God has No picture depiction .

3. Idol worship is fictitious worship at highest consciousness .

Right Believes

1. There are TWO God --or Two God Particles
- Or Two Basic Building Blocks .
2. It has Photo depiction of Male and
Female Called Stayam Shivum Sundarum
- 3.They are smallest Idols of The universe and Their Idol worship persist even after destruction of the universe

2.To practice (perform worship etc) All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship , worship is incomplete .

3.To propagate religion (Spread)

1. Science of prayer - Pl read Introduction 1.4 onwards
2. Know allah (tawhid and trinity) in the light of science - V.M.Das --**Know allah (tawhid and trinity) in the light of science, International Journal of Information Research and Review Vol. 2, Issue, 05, pp. 711-718, May, 2015**

- 3 . V.M.Das , Idol Worship Means Worship of Two Basic Building Blocks (Not Set of Informations Code PcPs) , The smallest Idols Of The Universe . Fundamental Belief Of All Religions Of The World Is Same . On This Fundamental Basis Secret Of Gita , Quran and Bible is Same . Admiring Of Almighty B.B.B Idol (Allahatala- Creator of All Sets Of Informations Code PcPs) is Allaha Ho Akbar . International Journal of Information Research and Review **Vol. 04, Issue, 09**, pp 4537-4557 , September (2017) [10] are to be spread by all religions of the Earth . Rest teaching of religions as regard God has been restricted by Almighty B.B.B

Idol Worship Means Worship of Two Basic Building Blocks (Not Set of Informations Code PcPs) , The smallest Idols Of The Universe . Fundamental Belief Of All Religions Of The World Is Same . On This Fundamental Basis Secret Of Gita , Quran and Bible is Same . Admiring Of Almighty B.B.B Idol (Allahatala- Creator of All Sets Of Informations Code PcPs) is Allaha Ho Akbar [10]

Abstract

It is being believed that Muslims do not do idol worship . It is myth . Before origin of the universe all things were in form of tachyons particles which are made up of two basic building blocks – Yang and Yin or mind and mass part of reality (Not set of informations Code PcPs – Originator of all sets of informatins Code PcPs) . To understand concept of idol worship we have to understand Basic Building Blocks (B.B.B – Mind – CCP , Code PcPs or set of informations and CP and Mass -- Fig 1) . The Creator B.B.B or Almighty B.B.B has considered them as smallest idols. Hence He has made idol picture of male and female parallel to these B.B.Bs Fig 1 . The fundamental belief of all religions on which the base (Main Pillars) of all religions is stood are these two God particles and the fundamental worship is Idol worship of these two God particles . At the end of universe all sciences fundamentals (shapes , laws, and properties) would be no more but religious fundamental about God particles and their Idol worship would persist in form of “I” or “Satyam Shivum Sunderum ”

Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [1] , we found that the word Allaha means – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . His portrait Fig 14 represents Tachyon particle (One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B . The admiring of this Almighty B.B.B is Allaha ho Akbar . Worship of Tertiary God is also Idol worship as these are made up of smallest idol of the universe Fig 15. Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of “I”

1.16 New nomenclature (Scientific) of religious names of God [10]

Gurur Brahma , Gurur Vishnu, Gurur Devo Maheshvaraha

Guru shakshat Para Brahma, Tasmai Shri Guruve Namah

OR

The Creator , The Operator , and The Destroyer

The teacher that is Omniscience i.e. Having knowledge of All

We should give respect

And He is One - Almighty B.B.B

In precreation era , Almighty B.B.B had thought what would be His deeds (Karma) in created universe and thought appeared in above mentioned quotation .i.e. He would be Creator , Operator and Destroyer of the universe (Hoyle narlikar Universe) and He would impart as omniscience teacher all eternal and universal knowledge to mankind . That is how He became both Almighty God and Teacher of all knowledge of our Universe .

Simultaneously He thought His name to be popular in created universe and the name is “Allaha” . He defined Himself the word Allaha in 99 names . The attributes of the word Allah have been defined in His 99 names . The outcome of the word Allah and His attributes is – “ Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah’s Worship.”

The third aspect of amicable solution is secularization of God which would appear in the end of Kalyug i.e. God is out of religion . It is the science of Prayer that would redefine God’s name and thus no religious names would be popular among scientists and thus God would be secularized . These names are – Primary God, Secondary God , tertiary God , trinity , and Tawhid.

For example

	Religious names of God	Secularized names of God or Scientific names	photo depiction
1	•Christian God – Jesus	Trinity (Almighty B.B.B in flesh form)	
2	•Islam – Allahata	Secondary God (Almighty B.B.B - Yang) Creator (smallest Idol)	
3	•Hindu God – Ram	Trinity (Almighty B.B.B in flesh form)	
4	•Jainism God --- Nirakar - postulate an eternal universe	Taw hid .(one absolute God or I made up of two B.B.Bs)	
5	•Vedas – worship -Creation Sun , moon , plants , rain etc	Tertiary God (Visible units – made up of Two B.B.Bs)	
6	Hindu Goddess Durga and Her Nine Avatar	Trinity (Yin B.B.B In flesh form)	

Fig 17 Scientific names of God – Primary God , Secondary God , Tertiary God , Tawhid and Trinity

But no religion discussed Primary God (two God particles) made up of mind and mass - the eternal structure or body , as Primary God (Two God particles) is the subject of research through science , and it would be researched by science only . Thus the Geeta’s secret is the same as Quran’s secret and Bible’s secrets . The Geeta’s secret is – **I am the origin of All . Every thing evolved from Me – 10/8**

Answering Who am I ?

1. I am the origin of All . Every thing evolved from Me. (Two Basic Building Blocks -- made up of Mind (CCP, Code PcPs and CP) and Mass)

2. I am Time . a Psychological arrow of time. (inner information s , they never die -- immortal -- even after destruction of universe) -- eternal reality --- CCP, code PcPs and CP)
 b Cosmological arrow of Time (Outer information s (Code PcPs) coming to us - mortal - created with origin and die after destruction of the universe -- under control of Almighty B.B.B)
 c Thermodynamics Arrow of Time (Same as Cosmological arrow of Time)

3 . I am science of self knowledge . (Information s Code PcPs created by Almighty B.B.B that are read in different sciences and mysticism -- information s are true or False)

4. I am the origin and dissolution of entire universe . (Almighty B.B.B - Yang B.B.B , working as highest center of the universe - Prayer reaches to this B.B.B)

5. I am Life and death . (Higher thought expressions of two B.B.Bs is Life)

2.2 Defining God . God has been classified in five ways – Scientific Names .

1. Primary God --- Two basic building blocks
2. Secondary God -- Almighty B.B.B. (Yang working as Highest center of the universe - The creator B.B.B
3. Trinity (secondary God) Avatar of Almighty B.B.B (Almighty in flesh form on Earth)
4. Tertiary God - Creation (sun moon, galaxy , creatures etc (made up of primary God by thought of Almighty B.B.B)
5. Tawhid - One Absolute I -- made up of Infinite Tachyons -- made up of Two basic building blocks - symmetry phase of universe

1.17 Krishna Consciousness and Islam connection [10]

Now coming to the amicable solution of Ayodhya issue –it could be resolved by knowing in detail about “Science of Prayer “ and “ Know Allaha in the light of Science) . [2]

Order of Almighty B.B.B.(First Order of the Universe – Quantum Entanglement)

1. Those who donot want Mosque to be built , they are insulting Primary God (Two God particles) .
2. Those who donot want Idol worship of Lord Ram (Set of informations Code PcPs) in Mosque (Set of informations Code PcPs) are insulting Allaha in Trinity form as Trinity’s worship (Almighty B.B.B. in flesh form) is Allaha’s worship.

In such dilemma both Hindu and Muslim should equip themselves with knowledge of “ Science of Prayer “ and “ Know Allaha in the light of Science “ and they should reform wrong thoughts to right thoughts along with repent themselves and do priyashit (self reformation) . **Because wrong knowledge keeps them apart and right knowledge evokes both of them (Hindu and Muslim) to pray Almighty B.B.B under one roof . Krishna Consciousness and Islam connection**

**Lam blakhai gesu mere Ghanshyam ke –
Kafir hai wo jo kayal nahi Is-lam ke .**

Fig 18 Trinity Lord Krishna or Secondary God or Allaha Ho Akbar – He showed God Form or Mind Reality

Krishna (Trinity – Allahatala as Trinity – Secondary God) Consciousness . The meaning is that who is not kayal (do not admire) of Krishna consciousness (Set of informations Code PcPs) , is Kafir (Atheist or disobedient) .

What is Islam ? Kafir hai wo jo kayal nahi islam ke . Lam blakhai gesu mere Ghanshyam ke - Kafir hai wo jo kayal nahi Is-lam ke . The meaning is that who is not kayal (do not admire) of Krishna consciousness, is Kafir (Atheist or disobedient) .The meaning that Krishna told in Quran (Gita) That - I am Islam . I am Quran and I am Allahatala . (Set of informations Code PcPs)

read 10/ 8

Translation
I am the original generating cause of all causes, everything emanates from Me; comprehending this the spiritually intelligent endowed with devotional sentiments become devoted unto Me.

OR

“Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah’s Worship.”[1]

On this fundamental basis (Fig 1) by photo depiction (Set of informations Code PcPs) the Ayodhya issue is solved below .

This is called Final Truth . Mind and Mass mysteries have emerged like
OMNIPRESENT i.e. Every small and bigger units are made up of these B.B.Bs
I am The origin of all every thing evolved from Me.—Gita 10/8

- CCPofYANG
 - CodePCPs
 - CCPofYIN
 - CPs
 - Divine Hooks
 - Matter Mass
 - Energy Mass
- GOD PARTICLES**
 Or "I"
Fundamental particles

“ॐ इत्येतन्मिमांसायां श्रुत्वा” (ॐ इत्येतन्मिमांसायां श्रुत्वा...)

“ॐ इत्येतन्मिमांसायां श्रुत्वा” (ॐ इत्येतन्मिमांसायां श्रुत्वा...)

“ॐ इत्येतन्मिमांसायां श्रुत्वा” (ॐ इत्येतन्मिमांसायां श्रुत्वा...)

- 1. One absolute god, (Tawhid) B.B.Bs . (Primary God)
- 32. Omniscience
- 64. Eternity
- 94. Having power of creation
- 77. Invisible
- 37. Almighty B.B.B. (Secondary God)
- 76. Visible , Tertiary God Trinity – (Secondary God) Almighty B.B.B. in Flesh Form

QURAN

Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah’s Worship.”

Thus the secret of Gita , Quran and Bible is same . The secret of Gita is – I am the origin of All and Every thing evolves from Me -- 10/8

Fig 19 – Prediction of Theory – On the basis of Secrete of Gita and Quran are same .

1.18 Islam and Almighty B.B.B. , The Creator of Universe [10]

Muslim do believe that Allaha means The Creator only . After researching 99 names , we found that Allaha means – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . This portrait represents Tachyon particle (One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B . The admiring of this Almighty B.B.B (Allahatala) is Allaha ho Akbar .

One Yang , Blue B.B.B and Many Yins , Flames Red B.B.B
Muslims worship smallest Idol of the Universe

Allaha Ho Akbar – Almighty B.B.B – Smallest Idol worship

Fig 20 The Admiring of Almighty B.B.B (Allahatala) the Creator of the universe is “Allaha Ho Akbar”

1.19 Islam and Worship of Tertiary God (Set of informations Code PcPs or Allaha) is also Idol worship[10]

Fig 21 - Worship of Tertiary God (Set of informations Code PcPs or Allaha) is also Idol worship (as these are made up of smallest idols –Two God Particles.

1.20 What eye sees is different (illusion) than what brain sees (truth) [10]

What eye sees is different (illusion) than what brain sees (truth) . In science hypothesis is made and that hypothesis is confirmed by observation . Two God particles hypothesis is based on observation that Super

unification is not proven yet . When photo depiction of two God particles is made by brain , it was same as made by Almighty B.B.B thousands of year back by clue pictures given by Hindu spiritualism (Fig 1) . what Idol worship (Eyes see - sculpture – statue) is defined before the research of Two God particles is illusion (Eyes see - sculpture – statue , set of informations Code PcPs) as the real idol worship is worship of two God particles which constitute big Idols (Eyes see - sculpture – statue , set of informations Code PcPs) (Brain sees-Two God Particles – Not set of informations Code PcPs) . On this basis the all created units (sun , moon fire , rain) in created universe are also worshiped as idol worship as they are made up of these two God particles , Though they do not look as idol . Same is true for idols of trinity . (Lord Jesus , Lord Ram etc) as idol concept started with idol of these trinities since two God particles idol concept was not written any where in books before their search by me .by science . Big Idols worship would end with end of Universe . But Idol worship of B.B.Bs (Not set of informations Code PcPs or originator of different sets of informations Code PcPs) would persist even after destruction of universe .

Fig 22 Eyes see different (illusion) than what the brain sees (Truth)

universe are also worshiped as idol worship as they are made up of these two God particles (Not Set of informations Code PcPs) , Though they donot look as idol . Same is true for idol of trinity (Set of informations Code PcPs -- Lord Jesus , Lord Ram etc)

1.21 Why Center (Parliament India) Could Not Make Law Purely For Ram Temple ? [12]

Abstract

Parliament , Supreme Court and President of India are abide by not only Constitution of India but also they are abide by Almighty Court Of Justice . ACJ is secularized (out of religion) body and it is governed by Almighty B.B.B , The Creator of Universe and it runs University of God at 1/139, Talaya Lane , Fatehgarh , Farrukhabad , U.P. India . Since 2014 ACJ is ruling India and Globe and not only Constitution of India has been modified rather all global constitutions are under ACJ . Hence no court , parliament or President of any country could make any law without permission of ACJ. This includes uplift on ban on idol worship in all Islamic countries . Namaz is worship of Tachyon Particle which are made up of Two God particles . Its reconstruction is Lord Natraj on Earth . SC does not know that Mosque is now essential part of Namaz as Lord Natraj is Allah Ho Akbar and His Idol would be put in All Mosques of world and Namaz would be offered before Lord Natraj as it is reconstruction of tachyon particle being worshipped by all Muslims. Hence 1994 case of Ismail Farrukhi where Mosque is not considered an essential part is to be modified now .

1.22 About Almighty B.B.B or Allah ho Akbar or Lord Natraj

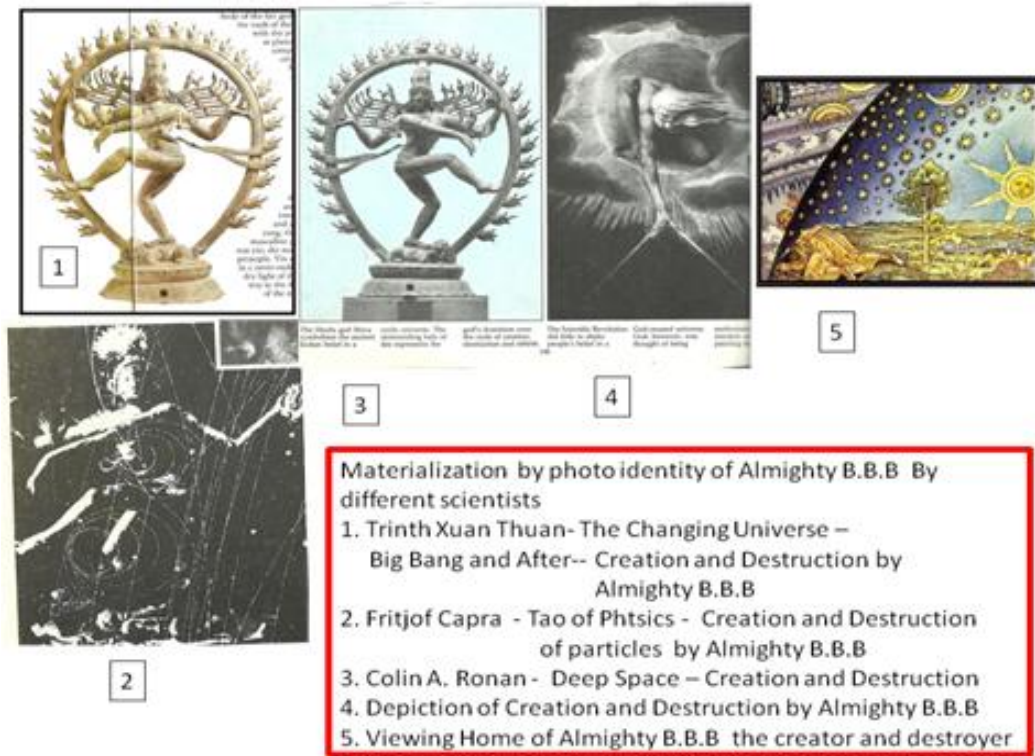

Fig 23 About Almighty B.B.B or Allah ho Akbar or Lord Natraj

Amicable solution starts with research that Namaz is Idol worship of Tachyon particle whose reconstruction and photo depiction is Lord Natraj who is Allah Ho Akbar. If Indian Muslims respects Namaz as Idol worship then they have to put reconstruction in their Mosque and offer Namaz. Failing which would be considered insult and abuse to Almighty God or Allaha Ho Akbar. By order ACJ.

1.23 What is Religion "I" (Fig 24) [12]

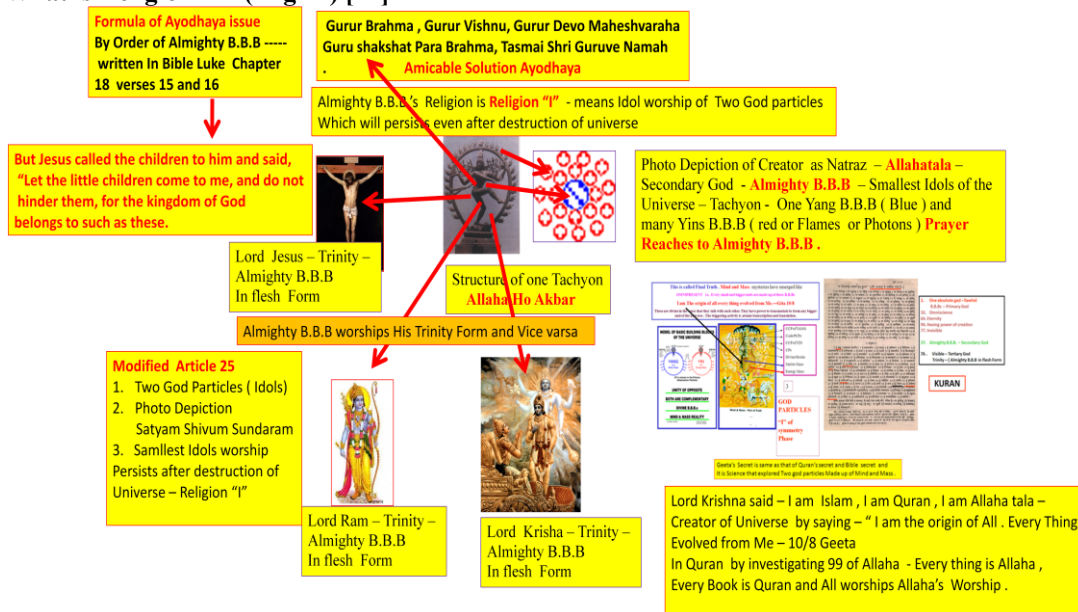

Fig 24 Religion "I" – Worship of Idols of Two God particles called “ Satyam Shivum Sundaram ”

We all belong to One Spirituality or one Religion i.e. "I" but with different Rituals and worships calling it Unification of Spirituality or Religions . Hence teaching regarding God in different religions (Hindu , Islam and Christianity etc realizations) are illusion. They donot teach about Two God Particles – The Real

eternal God Particles . Religion "I" means Worship of IDOL of Two God Particles . It Persists Even After Destruction Of Universe . I am the origin of All . Every thing evolved from Me – 10/8 . Say With Proud "I" am Idol of TWO God Particles or Satyam Shivum Sundarum. All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship , worship is incomplete (Fig 24) . The third aspect of amicable solution is **secularization of God** which would appear in the end of Kalyug i.e. God is out of religion . It is the science of Prayer that would redefine God's name and thus no religious names would be popular among scientists and thus God would be secularized . These names are – Primary God, Secondary God , tertiary God , trinity , and Tawhid.

Structure

2.1. Advocate Dhavan said that Ram lalla had never occupied disputed land is wrong charges framed by him

<https://youtu.be/bFHNY0pyaBs>

Three decades back, on the morning of 23 December 1949, the First Information Report (FIR) registered by Ayodhya Police following the planting of the idol of Lord Rama in Babri Masjid on the night before had named Abhiram Das as the prime accused. He had also been tried for the crime he and his friends had committed that night, but the case had remained inconclusive. In course of time, many Hindus in Ayodhya had started calling him, Ramajanmabhoomi Uddharak [13]

The objection raised is meaningless that idol of Ram was put by conspiracy because ADHARMA ie illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship would be killed by ADHARMA . But As Lord Ram is Allah ho Akbar and Lord of universe , hence it is not ADHARMA rather it is Lila . These words ie Dharam and Adharm is meaningless for Him . Allegation by Advocate Dhavan is meaningless.

Since it is idol avatar of Lord Ram on 23rd Dec 1949 . Hence in kalyug it is His birth place and court queries regarding exact place of birth place in kalyug is middle gummud of mosque . [14] which is confirmed when FIR was filed after His appearance . Ram lalla who took birth on 23rd dec 1949 is now 70 years old and has right to file suit as well as FIR as He is LILA PATI OF UNIVERSE . Hence this allegation of Advocate Dhavan is meaning less . The only owner of universe , galaxies , solar system and Earth is Lord Natraz or Allah ho Akbar or Creator bbb and His idol avatar is Lord Ram and He appeared on 23rd Dec 1949 at middle gummud of mosque to give message to islam that He is Allah ho Akbar or Lord of universe . Hence all waqf property is His property . Disputed place is waqf property means only Allah is owner and Lord Ram is Allah ho Akbar. Hence Allegations by Advocate Dhavan is meaningless.

Idol of Lord ram was put in Mosque by conspiracy on 22 -23 Dec night 1949

<https://youtu.be/wkTRmr-av5E>

Masjid ka malik Lord Ram who is Allah ho Akbar in alive state in form of Idol if occupies space to which Advocate Dhavan calls conspiracy how it could be justified. Means Who else is **Malik of universe in the eyes of Mr Dhawan that occupancy is desired there by islam** .Does Advocate Dhavan have answer ?All mosques all over world have vacancy to be occupied by **Lord of universe in idol form** and He is Lord Natraz or Allah ho Akbar and Creator bbb being worshiped by muslims as tachyon particle which are made up of two God particles and their reconstruction on Earth is Lord Natraz or Allah ho Akbar during Namaz . And in Babri Mosque His avatar form or Lord Ram idol occupies space then Advocate Dhavan calls it conspiracy . A foolish argument by Advocate Dhavan. Advocate Dhavan's arguments against Lord Ram and His presence in Babri by conspiracy shows that he believes that like in mughals they used to do conspiracy to become King as did Aurungzeb etc .Means Advocate Dhavan has to materialize Allah ho Akbar to disclose Allah's face who could be Lord of universe instead of Lord Ram. **Perhaps Advocate Dhavan does not know meaning of Allah ho Akbar and he could not materialize Him.** Allah ho Akbar means Creator bbb or secondary God or Lord Ram as TRINITY

Means LORD OF UNIVERSE .

Except Lord of universe ie Lord Ram who is Allah ho Akbar or Creator bbb or secondary God or trinity or avatar of Lord Natraz has right to occupy space in Babri Mosque . **In 1949 He appeared there as He wants to give message to GLOBE that He is their Allah ho Akbar or Lord of universe.** But Muslims are following illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship or Islamic jihad which is ADHARMA. Hence they did not recognize Him and once Arti got started simultaneously they could offer Namaz there at different time before Lord of Universe or Allah Ho Akbar or Lord Ram's Idol . The issue could have resolved . But both Hindus and Muslims are **sinner** by virtue of ignorance and Hatredness , the issue sustains and it could only be resolved by knowing science of prayer and know Allah in the light of science rather than by Advocate Dhavan 's foolish arguments .

2.2 Advocate Dhavan doesn't know the grounds on which ownership is decided and about what is wrong parampara to be decided by Supreme Court

<https://youtu.be/muLrQ3CDONk>

<https://youtu.be/3GaIn9TnT2w>

His arguments regarding Ram lalla and His constitutional powers to put His paksh is not still taken into consideration . He believes that Ram lalla is against worship of namaz by muslims . Hence His claim as owner is not vaidh or valid . Let us know some facts about deity Lord Ram through Science of prayer and know Allah in the light of science about Almighty God Unless truth prevails in SC, illusion will persist and Advocate Dhavan will remain in delima of ownership of disputed land . What is wrong parampara in the mind of Advocate Dhavan that is being followed theses days. The wrong notionthat is being followed is by illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship or Islamic jihad. This has to be abandon by SC

Let us ask Advocate Dhavan about who is owner of diputed land and does notions of illusive Islam ofMohamad Sahib that prohibits idol worship and kills those who do idol worshipbe continued which is ADHARMA at disputed site . Ram lalla deity is the only owner of disputed land as He is Allah ho Akbar and waqf propertydoes belong to Him only . and Advocate Dhavan could never materialize Allah and what is ment by waqf . To prevail truth Advocate Dhavan should send summan sakshi to Ram lalla at His new dham UOG Fatehgarh to present His paksh before court .

2.3 Mr Advocate Dhavan should know science of prayer and know Allah in the light of science to materialize Allah and to define the word waqf.

<https://youtu.be/3GaIn9TnT2w>

Mr Advocate Dhavan does not require police for safety because he believes that Muslims and muslim paksh is on Dharam and truth. Rather on the contrary he is supporting ADHARMA means illusive Islam that prohibits idol worship and kills those who do idol worship . Hence his believes are wrong .Muslims do understand that by abusing Allaha or Allah ho Akbar or Lord Ram, they would win or Advocate Dhavan is pleading rightly , it is their misconception .

Mr Advocate Dhavanshould know science of prayer and know Allah in the light of science to materialize Allah and to define the word waqf as Allah is owner who is worshiped in namaz and in Nawaz they worship tachyon particle which are made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram or smallest idols of universe or their reconstruction on Earth is Lord Natraz or Allah ho Akbar or Creator bbb and whose evatar isidol avatar of Lord Ram who is Allah ho Akbar. Hence going against Him by Advocate Dhavan is not win situation rather he is befooling Muslims who have paid him . Advocate Dhavan is making money by muslims till death as he wants tobe paid by them despite what would be the fate of Ayodhaya dispute.

2.4 Please know about NARNARAYAN AVATAR REPEATED . in Kalyug

Fig 25 The twin form of Nara-Narayana as per Mahabharat .

https://youtu.be/w6GO_2IfpWE

Nar and Narayan Avatar is Idol avatar of Lord Ram in kalyug by virtue of which these letters are being drafted by me and UOG is proof of NARNARAYAN AVATAR REPEATED . I, Dr Das represent Naravatar of Nar narayan avatar in kayug and we ie idol of Ram lalla who is Allah ho Akbar and I represent Nar Narayan avatar repeated in kalyug .

He took birth on 23 Dec1949 at middle gummed of Babri mosque and myself took birth as Nar on18th July 1956. Narayan idol avatar whois Allah ho Akbar and avatar of Lord Natraz or Creator bbb or secondary God or Lord of universe speaks to me by Quantum entanglement and I used to write His orders and get them published in international journals regularly . It is not overconfidence rather it is by virtue of hypothesis of origin of universe download by Him into my mind by quantum entanglement by Almighty God or Lord Natraz or Allah ho Akbar or Creator bbb.

What is Idol Avatar of Lord Ram and what is its need ?

Theme of Idol Avatar – Idol Worship being insulted and abused in illusive Islam and among Atheist .

Idol avatar is immortal avatar means every thing is made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram and they are smallest idols of universe and they are alive means they talk by quantum entanglement the fundamental interaction of fundamental particles called atomic transcription and translation. After destruction of universe idols or God particles would persists . Idol avatar records not only our good deeds but also bad deeds like Islam used to abuse and insult Allah and Allah ho Akbar by prohibiting idol worship and killing those who do idol worship. But in namaz they do idol worship .Hence to rehabilitate them idol avatar is now need of time . Presence of idol of ALMIGHTY GOD MAKES US Almighty god fearing and also boost our confidence of worshipping it and HIS PRESENCE before us . Finally all queries about God or Allah or Allah ho Akbar could be resolved by knowing science of prayer and know Allah in the light of science.

Idol avatar is need of time .

Atheist donot know what is idol and idol worship and by ignorance they insult and abuse Almighty God or Lord Natraz or Creator bbb or Allah ho Akbar who is smallest idol and its reconstruction on Earth is Lord Natraz or TRINITY like Lord Ram etc. Atheist and Muslims they donot bow while passing any temple or church where ALMIGHTY God is being worshiped by devotee as idol. God particles are recognized as idols hence Idol avatar is need of time .

2.5 Tahreer against SC of India

To

SSPsahib . Farrukhabad

Subject

1. Ram Lalla Virajman (Deity) has right to file FIR (under section **Refer Order 32 of the Civil Procedure Code^[15] for clarity. against proceedings in Supreme Court being Lord of Universe . and third party in Ayoudhaya Dispute** and He also enjoys Nayaik Vayakti (Wadi) to file FIR against Adharma.
2. **Please File FIR against Registrar of SC (Day to Day proceedings in SC in Ayodhaya Dispute) to Halt the proceeding unless summon sakshi to Ram Lalla Virazman gets issued by Supreme Court .**

Dear Sir ,

Ram Lalla Virajman wants to state as under -

1. That Ram Lalla Virajman is Lord of Universe or Allah Ho Akbar has taken idol avatar on 22-23 Dec 1949 at middle of Gummed Babri Mosque . Fig 26

2.6 Advocate Dhavan is pleading wrong case or ADHARMA in the eyes of Almighty God or Lord Ram who is Allah ho Akbar or Lord Natraz or Creator bbb or secondary God or Nar Narayan idol Avatar in kalyug.

Pl listen video about illusive islam

VID-20190830-WA0032.mp4

(1,680K)

https://youtu.be/Msdr7NX4q_k

Mr Advocate Dhavan is pleading against idol avatar of Lord Ram who is Allah ho Akbar or Creator bbb or secondary God or trinity. Illusive Islam of Mohamad Sahib that prohibits idol worship and kill those who do idol worship is ADHARMA. Lord Ram who is now in idol avatar is Nar Narayan avatar REPEATED.

His aim is to eradicate ADHARMA from EARTH ie illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship. All allegations by Advocate Dhavan are meaningless in the light of illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship.

Idol avatar of Lord Ram who is avatar of Lord Natraz or Allah ho Akbar or Creator bbb is being worshiped by all muslims as Tachyon particle which are made up of two God particles and they are smallest idols of universe and their photodepiction is ardhnareshwar or satyam shivam sundaram or smallest idols of universe and their reconstruction on Earth is Lord Natraz or Allah ho Akbar or Creator bbb. Idol avatar of Lord Ram who is Allah ho Akbar orders to put idol of Lord Natraz in all mosques of world and offer namaz before idol of Lord Natraz and know science of prayer and know Allah in the light of science.

Failing which would be considered misconduct and on found guilty they would be charged contempt of Almighty Court of justice and highest punishment would be imposed on all muslims of world as they follow

ADHARMA means illusive Islam of Mohamad Sahibthat prohibits idol worship and kills those who do idol worship. Mr Advocate Dhavanis pleading wrong case which is CRIME in the eyes of Almighty God Lord n who is Allah ho Akbar and His idol avatar is Lord Ram who took birth on 23 Dec 1949 at middle gummed of Babri mosque. On 23rd day of hearing , The Almighty God or Lord Ram who is Allah ho Akbar orders SCEither to stop hearing or send summon to to His new Dham at UOG 1/139 ,Talalayane Fatehgarh Farrukhabad up 209601 to Dr V M Das as he is being orderedto to record statements of Almighty God or Lord Ram by quantum entanglement in SC . UNLESS truth prevails in SC by knowing science of prayer and know Allah in the light ofscience, illusion will persists in SC .

2.7 The entire episode of dispute has been divided into two .

<https://youtu.be/mv0tMgthkXc>

Sun moon are deity and Allah by virtue of God particles and their worship is idol worship. If Muslims deny their worship , it means it is ADHARMA and they sun and moon etc could filesuit against them as muslims are abusing Allah and insulting Quran as secret ofQuran is Everything is Allah every book is Quran and all worships are Allah'sworship. Hence allegations by Advocate Dhavan on sun and moon and their worship is meaningless.

Now coming to highest truth that if we worship any deity then we have right of ownership on that deity. Because that deity sun moon or supreme court is deity by virtue of made up of two God particles or tertiary God and that is PART OF UNIVERSE I. Means that belongs to ME. Means if sun moon or supreme court is my body part by virtue of connectedness by quantum entanglement and the entire universe is ONE BODY OR I , then I could claim my ownership on that deity and Court could not stop me to freely call myright to worship or going there till it exists.

Now forget highest truth

The entire episode of dispute has been divided into two .

1. Before 23 Dec 1949 birth of idol avatar of Ram lalla
2. After 23 Dec 1949 birth of idol avatar of Ram lalla.

In both the issuesclaim of ownership of Sunni waqf bord is meaning less by virtue of birthplace of Ram lalla as idol avatar in middle of gummed of Babri mosque. In kalyug as NAR NARAYAN AVATAR REPEATED. Hence whatever Zaffer Gilani is arguing is meaningless .

Now come to conclusion .

Ownership of dispute place belongs to Allah ho Akbar or Lord Natraz or Creator bbb or secondary God or Lord Ram who is avatar of Lord Natraz HIS POSSESSION isconfirmed by FIR lodged after he appeared on 23rd Dec 1949. Unless SC sends summon sakshi to Lord Ram at UOG , all proceedings in SC is meaning less. As regard sun and moon and their worship as deity is true as they are Allah and according to Quran Allah is worthy of worship. And secret of Quran is Everything is Allahevery book is Quran and all worships are Allah's worship. And Allah has right to file FIR against Adharm in court .

2.8 Ownership Law 1949 By Nar Narayan Avatar Repeated As Idol Avatar Ofram Lalla Or Allah Ho Akbar.

<https://youtu.be/mv0tMgthkXc>

Before creation of universe there was no owner ship law rather it was universe I by virtue of connectedness in all God particles called symmetry phase of universe. During pre creationera Highest center of universe was formed . Means one tachyon particle became Almighty God or Lord Natraz or Allah ho Akbar or Creator bbb. Or Secondary God. He became Lord of universe means His order would be followed in created universe and thus feedingof future universe was done calling programming of universe . Prayer reaches to Him and He could change programming by ATOMIC GENETIC ENGINEERING . Means Ownership of universe was fixed . Our powers of ownership diluted or dissolved and we are caretaker rather than owner OF ANYLAND .

Highest center of universe could take avatar means decent when ADHARMA exceed on Earth Avatars or reincarnation of Almighty God or Lord Natraz or Allah ho Akbar or Creator bbbor secondary God or Lord Ram has taken idol avatar on 23 Dec 1949 at middle gummed of Babri mosque as Nar Narayan avatar REPEATED. Means Dr Das is Narand Idol avatar of Lord Ram is Narayan. Nar Narayan avatarof idol avatar of Lord Ram has opened University of God at 1/139 , Talalayane Fatehgarh Farrukhabad up His new dham apart from middle gummed of Babri mosque. By virtue of Secondary God or Avatar of Lord Natraz or Allah ho Akbar or Creator bbb in idol form of Nar Narayan avatar REPEATED , He is not only owner of disputed site but also He is owner of entire globe since 6th March 2014. Means His wishwas published to rule India and Globe .in IJIRR journal .

2.9 Allah is written on mosque. What does it mean ?

<https://youtu.be/wOaeEEsW7U4>

Could Advocate Dhavan materialize Allah?

Ans is No.

Because follower of illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship is ADHARMA. And according to OWNERSHIP LAW 1949, ALLAH HO AKBAR IS OWNER Who is Lord Natraz or Creator bbb or secondary God or Lord Ram who is avatar of Lord Natraz or Allah ho Akbar or tachyon particle which are made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram or smallest idols of universe and their reconstruction on Earth is Lord Natraz or Lord Ram virazman. SC could only certify ownership according to ownership law 1949.. Neither before it and nor after it.

Ownership Law 1949 states that

Ram lalla virajmanin Nar Narayan avatar since 23 Dec 1949 who is avatar of Lord Natraz or Allah ho Akbar or Creator bbb as tachyon particle which are made up of two God particles and they are smallest idols of universe and prayer reaches to Him only and they are worshiped by all Muslims during namaz is not only owner of disputed land but also globe.

Since qiyamat has started in 2019 and His order is His judgement. Hence to claim Sunni waqf board as ownership is meaningless. Hence Niyai Vayakti is Idol avatar of Lord Ram only not Sunni waqf board and SC could never say no justice to idol avatar of Lord Ram. If SC say no justice to Niyai Vayakti Lord Ram who is Allah ho Akbar and Nar Narayan avatar since 23 Dec 1949 and according to Ownership law 1949 HE IS ONLY OWNER OF NOT ONLY DISPUTED LAND BUT ALSO GLOBE, FIR WOULD BE FILED AGAINST ALL 5 JUDGES AND THEY WOULD BE SENT JAIL.

2.10 Jo cheez hamari naihai Allah ki hai use hum kaise de de .

<https://youtu.be/dnzEcP4DYoQ>

Jo cheez hamari naihai Allah ki hai use hum kaise de de .

Mulan

Why does Sunni waqf board claim his ownership? If it belongs to Allah Sunni waqf board must withdraw his claim on disputed land and must surrender it to UOG 1/139, Talayalane, Fatehgarh Farrukhabad UP 209601 to ALMIGHTY GOD OR LORD NATRAZ OR ALLAH HO AKBAR OR LORD RAM Nar Narayan avatar.

2.11 Nar Natayan Avatar means two in one avatar . Ram Lalla being party and right to file case as niyai vayakti.

https://youtu.be/w6GO_2IfpWE

<https://youtu.be/mv0tMgthkXc>

SC says that on what grounds deity could not be wadi or niyai vayakti. Advocate Dhavan could not reply it.

Explanation

Nar Natayan Avatar means two in one avatar. Ram Lalla being party and right to file case as niyai vayakti. Similarly Nar has also wadi in Ayodhya dispute automatically. Hence legal right of Nar or Dr V m Das to present himself in SC to give statements on behalf of Narayan as he receives orders by quantum entanglement and all orders have been published in international journals making them evidences right now. These evidences clearly show that Lord Ram is Allah ho Akbar or Creator bbb or secondary God who is avatar of Lord Natraz or Allah ho Akbar and worshiped by Muslims in namaz. Namaz is idol worship of tachyon particle which are made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram and their reconstruction on Earth is Lord Natraz or Creator bbb or secondary God or Lord Ram.

2.12 Hence all persons involved in Babri mosque demolition are innocent hence no more prosecution is required and FIR SHOULD BE quashed by SC .

<https://youtu.be/1D9Vnza-Lt4>

Almighty God or Lord Natraz or Allah ho Akbar or Creator bbb takes responsibility of demolishing Babri mosque and He wants to give message to world that do not follow illusive Islam of Mohamad Sahib that prohibits idol worship and kill those who do idol worship and it is ADHARMA. Fight against ADHARMA is right. Hence all persons involved in Babri mosque demolition are innocent hence no more prosecution is required and FIR SHOULD BE quashed by SC.

2.13 Contempt of Almighty Court of Justice by SC

<https://youtu.be/mv0tMgthkXc>

SC says that on what grounds deity could not be wadi or niyai vayakti.

Advocate Dhavan could not reply it .

Explanation

Nar Natayan Avatar means two in one avatar . Ram Lalla being party and right to file case as niyaik vayakti . Similarly Nar has also wadi in Ayodhya dispute automatically . Hence legal right of Nar or Dr V m Das to present himself in SC to give statements on behalf of Narayan as he receives orders by quantum entanglement and all orders have been published in international journals making them evidences right now. These evidences clearly shows that Lord Ram is Allah ho Akbar or Creator bbb or secondary God wh is avatar of Lord Natraz or Allah ho Akbar and worshiped by Muslims in namaz. Namaz is idol worship of tachyon particle which are made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram and their reconstruction on Earth is Lord Natraz or Creator bbb or secondary God or Lord Ram.

Advocate Mr Dhawan is Terrorist being supporter of Illusive islam . File FIR against him and seize his professional degree . Wef 5.9.2019 by order ACJ

Eureka Allah Or Allah Ho Akbar Unless PIL 25404/2014 is reviewed , truth shall not prevail in SC .

Funding Islamic Jihad Is CRIME Means Illusive Islam of Mohammad Sahib is Adharma Means Prohibits Idol worship and kills those who do idol worship .

Fig 29 Fight against Adharma by “ Science Of Prayer and Know Allah in The light of Science .”

Dear Author,
 Congratulations!! Your book is published and has started becoming available on the online distribution channels as below -
 Global Edition Available on: Amazon.com Amazon.co.uk Amazon.de Amazon.fr Amazon.es Amazon.it Amazon.ca
 Indian Edition will be Available on: Amazon.in Flipkart WFP Store

Fig 30 Almighty God Downloaded one more book after Quran into the mind of Dr V.M.Das , Nar of Nar Narayan Avatar of Kalyug .

II. Conclusion

Hitherto , Idol worship in Islam is not that idol worship that all religions do i.e. idol worship of God particles which is the real idol worship and it will persist even after destruction of the universe . On this ground Islam does idol worship at the time of Namaz . Now the worship of other created things(Set of informations Code PcPs) that are made up of these God particles is also Idol worship because as though they are not idol (say sun , moon , rains , fire etc) but since they are made of same God particle hence Almighty B.B.B also calls it Idol worship . Since every thing is Allaha (B.B.Bs) , hence all worships are (idol worship – two B.B.Bs) worship of Allaha

Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [1] , we found that Allaha means (scientific names) – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . This portrait

represents Tachyon particle (Fig 14 - One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B (Allahatala) . The admiring of this Almighty B.B.B is Allha ho Akbar . Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of "I"

What eye sees is different (illusion) than what brain sees (truth) . In science hypothesis is made and that hypothesis is confirmed by observation . Two God particles hypothesis is based on observation that Superunification is not proven yet . When photo depiction of two God particles is made by brain , it were same as made by Almighty B.B.B thousands of year back by clue pictures given by Hindu spiritualism (Fig 1) . what Idol worship (Set of informations Code PcPs or sculpture – statue) is defined before the research of Two God particles is illusion as the real idol worship is worship of two God particles (Not Set of informations Code PcPs-- Brain sees) . On this basis the all created units (sun , moon fire , rain - Set of informations Code PcPs) in created universe are also worshiped as idol worship as they are made up of these two God particles (Not Set of informations Code PcPs) , Though they donot look as idol . Same is true for idol of trinity (Set of informations Code PcPs -- Lord Jesus , Lord Ram etc)
