"The computer was born to solve problems that did not exist before." - Bill Gates
"It's amazing what we can accomplish when we don't worry about who gets the credit." - Steve Jobs

I am delighted to congratulate the Department of Computer Science and Computer Applications, Apollo Arts and Science College Chennai, Kalvoj, Guduvanchery for their dedication to imparting knowledge and furthering the advancement of information technology and applications through the International Conference on Advanced Information Technology and Applications 2K23 on March 18th, 2023. This conference will undoubtedly provide students with the tools and skills necessary to reach the pinnacle of productive success in their studies.

I wish the conference all the best and applaud the Head of the Department and all the faculty members for their effort in organizing it so effectively. As Bill Gates said, “The computer was born to solve problems that did not exist before” and Steve Jobs stated, “It's amazing what we can accomplish when we don't worry about who gets the credit.” Therefore, I am confident that this conference will be an immense success.

Dr. R. MUGUNDHAN M.Com., M. Phil., MBA, LLB, Ph.D.
